SECTION 2 CLASSIFICATION OF SCHOOLS

- A. The Reclassification Committee of the GHSA Executive Committee shall place member schools in classifications and regions based on student F.T.E. figures and geographic proximity, respectively.
- B. Member schools will be realigned every two (2) years.
- C. The number of classifications and the number of regions will be determined by the Reclassification Committee at the time of each realignment.
- D. The number of classifications and regions, together with the assignment of schools therein, shall be submitted to the Executive Committee. The Executive Committee, by majority vote, may approve, reject or modify in any way the proposals submitted by the Reclassification Committee.

SECTION 3 STRUCTURE OF REGIONS

- A. After reclassification, all regions will meet and submit to the State Office, after the final reclassification vote, a plan for structure of the regions. These plans must spell out subdivisions, if any, for all activities. All regions must have been approved before any scheduling may be finalized.
- B. In the event that any member school has a complaint with the structure of a region, it shall so advise the Executive Director and all other schools in the subject region of such complaint in writing within seven (7) calendar days after the region meeting following the final reclassification vote. The Executive Director shall then convene a meeting of the Reclassification Committee to review the present and proposed region structure and to attempt to arbitrate the differences and, failing that, to make a recommendation to the Executive Committee.

All schools in the subject region shall be advised of the meeting of the Reclassification Committee by the Executive Director and shall have the right to present evidence to the Committee. Any member of the Committee which is a member of the subject region shall be disqualified from participation on the Committee.

- C. The Executive Committee shall have full authority to require all or any portion of a subregion to play cross-over games and to align or realign the subject region into new subregions.

Membership of the Board of Trustees shall be composed of the President, Vice President, and Executive Director, plus one member from each classification (as selected by a vote of the SEC representatives in that respective classification) and a total of three (3) at-large members (two (2) of which shall be appointed by the BOT) that must include at least two (2) females and one (1) private school representative, and all three must be approved by a vote of the State Executive Committee. The term of office for members of the Executive Committee serving on the Board of Trustees shall coincide with the length of the reclassification cycle.
- B. The Board of Trustees shall receive and hold title to all real and personal property of said Association in trust for the benefit of said Association and shall have general custody and administration of such property with power and authority to lease, sell and convey said property of said Association; provided however, said Board of Trustees shall not sell or convey any real property so held by them in trust for said Association without first being authorized to do so by a majority vote of the State Executive Committee of said Association at a meeting duly called for such purpose.
- C. The Board of Trustees reviews pertinent issues relative to the successful operation of the organization. The Board of Trustees reviews the recommendation by the Executive Director concerning the budget, recommends committee appointments, evaluates and recommends length of contract for the Executive Director. The Board of Trustees recommends the two at-large female representatives to the Executive Committee.
- D. The Board of Trustees shall be authorized and empowered to exercise the powers of the Executive Committee including, but not limited to, the power to amend the by-laws of the association, and to otherwise make decisions relating to the association and its member schools as otherwise allowed to be made by the Executive Committee under the constitution and by-laws of the association.
 - 1. A majority of the Board of Trustees shall constitute a quorum thereof for the purposes of this Subsection D and action shall be authorized and taken by a majority of the votes cast.
 - 2. The meeting of the Board of Trustees under this section shall be noticed by the Executive Director or President by any reasonable means and any meeting of the Board of Trustees may be held electronically. In addition, such vote may be taken by telephone polling of the Board of Trustees by the Executive Director if appropriate in the discretion of the President.

E. Upon receiving a referral from the Executive Director of alleged intentional or grossly negligent violations of GHSA by-laws and rules by GHSA member schools or their personnel, the Board of Trustees by majority vote shall have the authority to assess further and additional penalties for such intentional or grossly negligent violations against the member school including, but not limited to, an additional fine of not more than \$2,500.00 for each such offense, and/or probation for a period of up to one calendar year in the sport(s) in which the violation occurred, and/or suspension of the member school from the GHSA for a period of up to one full calendar year. Any additional penalties assessed under this paragraph shall be appealable to the GHSA Executive Committee.

SECTION 4 STATE APPEAL BOARD

- A. The State Appeal Board shall be composed of members selected from the full State Executive Committee on a rotating basis.
- B. The duties of the State Appeal Board as set forth in Sec. 9 shall be performed by four (4) members of the Board sitting on an alternating basis as selected and notified by the Executive Director.
- C. Eligibility appeals in regard to the eight-semester rule will be referred by the Executive Director to the State Executive Committee for a final ruling.
- D. There shall be no appeal of eligibility related to age restrictions set forth in the by-laws.

SECTION 5 HARDSHIP COMMITTEE

- A. 1. The Hardship Committee shall be composed of members selected from the full State Executive Committee on a rotating basis.
- 2. The duties of the Hardship Committee shall be performed by four (4) members of the Executive Committee sitting on an alternating basis as selected and notified by the Executive Director.
- B. The Hardship Committee shall have the authority to set aside the effect of the migratory rule, the courses passed rule, and the accumulation of credits rule upon an individual student when in its opinion the rule works an undue hardship upon that student. The Hardship Committee does not hear cases regarding eight-semester violations, or appeals arising under the By-Laws.
 - 1. The Hardship Committee shall meet at a location and on dates established by the Executive Director and published in the GHSA Calendar. Requests will be considered to have a rule or rules set aside for benefit of individual students and shall consider such requests at the meetings held for that purpose, but not at any other meetings of the committee. If conditions upon which a request is based develop after April 1, the Executive Director is authorized to set a date for a special meeting to be held at the State Office to consider such case or cases.
 - 2. The principals of all member schools who have filed requests to have the effect of a rule set aside for individual students shall be notified of the time of the meeting at which such requests will be considered not less than seven (7) calendar days before such meeting.
 - 3. A request will be considered at a meeting only if complete information concerning the case is filed in writing with the Executive Director at least ten (10) calendar days prior to the date of the meeting and if a representative of the school, along with the student, is present at the meeting to furnish the Hardship Committee with information. Complete information includes a transcript.
 - 4. The conditions which cause the student to fail to meet the eligibility requirements must have been beyond the control of the school, the student, and/or his parents, and such that none of them could reasonably have been expected to comply with the rule. Ignorance of the rule on the part of any or all of them shall not be considered sufficient cause for setting aside its effects.
 - 5. The decision of the Hardship Committee shall be decided by a majority vote to set aside the effects of the rule in each individual case, and such decision shall not be considered as setting a precedent for other cases of a somewhat similar nature.

6. The decision of the Hardship Committee shall be appealable to the Appeals Board by compliance with Sec. 9C & 9D of the Constitution and then to the State Executive Committee by compliance with Sec. 9F of the Constitution.
- C. 1. The Executive Director shall have the authority upon receiving an application by a member school to set aside the effect of any eligibility rule upon an individual student within the jurisdiction of the Hardship Committee and to grant the same without necessity of the appearance of the student or a representative of the school before the Hardship Committee when, in the judgement of the Executive Director, the circumstances regarding the application are such that:
- (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student, and/or his parents and such that none of them could reasonably have been expected to comply with the rule; and,
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair, and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed, and supported by appropriate documentation.
2. The Executive Director shall have the authority to grant or deny an application for hardship status.
- D. 1. The Executive Director shall have the discretion upon receiving an application by a member school to set aside the effect of any academic eligibility rule upon individual students when, in the judgement of the Executive Director, the following criteria are met:
- (a) The conditions which cause the student to fail to meet the eligibility requirements are beyond the control of the school, the student and his parents, and such that none of them could reasonably have been expected to comply with the rule; and
 - (b) The conditions which cause the student to fail to meet the eligibility requirements work an unjust, unfair and unforeseeable hardship upon the student; and
 - (c) The facts are clear, undisputed and supported by appropriate documentation and evidence; and
 - (d) The setting aside of the subject rule would not result in an unfair advantage to the school or student nor compromise the safety of any other student.
2. The decision of the Executive Director shall be appealable under the provisions of Section 9 of the GHSA Constitution and By-Laws.

SECTION 6 REGION OFFICERS

- A. Each Region of each Classification shall elect a President, a Vice President, a Secretary-Treasurer, and from one to three committee members. No two of the above shall be from the same school unless the two are President and the Secretary-Treasurer. These officers, together with any member of the State Executive Committee from the region, shall compose the Executive Committee in their region.
- B. A member of the State Executive Committee who is not an elected member of his Region Executive Committee shall be an added member of his respective Region Executive Committee. This provision that only one (1) member of the Region Executive Committee may come from the same school will apply only to the members elected by the region, and will not apply when the State Executive Committee member in the region is from the same school as an elected member.
- C. The treasurer of each region is required to make an itemized statement of the income and expenditures of all funds to the region. When a new treasurer is elected, any balance must be turned over to the new officer immediately.

SECTION 7 DUTIES OF OFFICERS

The duties of the various officers and committees shall be those usually devolving upon such officers and committees. It is specifically the duty of the State Executive Committee and the Region Executive Committees to seek at all times to educate the school officials under their jurisdiction, and at the same time, to check vigorously any practice or violation of the rules by exercising the full penalty for such violations if it is deemed necessary.

SECTION 8 ELECTION OF OFFICERS

- A. A President and a Vice President shall be elected as State Association officers at the spring meeting of the Georgia High School Association for a term that shall coincide with the length of the reclassification cycle.

- B. The election and term of office of the Executive Director shall be for a term of one to five years at the discretion of the State Executive Committee and the President and Vice President of the Georgia High School Association and shall be authorized to execute a contract in the name of and for the Georgia High School Association.
- C. Only members of the State Executive Committee shall be entitled to vote in elections.
- D. Should the President become disqualified by death, resignation, or otherwise, the Vice President shall assume the office immediately and shall act as President until the vacancy is filled.
- E. Any vacancy which may occur in the office of President or Vice President shall be filled at the next meeting of the State Executive Committee.
- F. Each region in each Classification shall elect at any region meeting, a President, a Vice President, a Secretary-Treasurer, and from one to three region committee members as region officers.

Terms of office shall be for two (2) years, and elections shall be held at the beginning of each reclassification cycle. Any vacancy occurring on a Region Committee shall be filled by the Region Committee until the next meeting of the region.

- G. The State Executive Committee member from each region shall be elected at any Region meeting when there is a vacancy to be filled. The term of office shall coincide with the length of each reclassification cycle. Any vacancy occurring on the State Executive Committee shall be filled by the Region Committee until the next meeting of the region concerned.

**SECTION 9
AUTHORITY OF EXECUTIVE DIRECTOR
APPELLATE PROCEDURE**

- A. The State Executive Director shall be authorized to interpret the rules of the Georgia High School Association and to impose the proper penalty for their violation, including but not limited to, declaring a student ineligible to compete in GHSA activities for a period of time of up to four (4) years. The Assistant Executive Director shall, upon the absence or at the direction of the Executive Director, have all the powers and responsibilities of the Executive Director as provided under this Constitution and the By-Laws of the GHSA. The State Executive Director shall make all arrangements for holding and conducting the State Meets and Tournaments.
- B. All questions pertaining to eligibility or any other matters under the rules of the Georgia High School Association must first be submitted to the State Executive Director. If the question concerns a violation of any of the rules of the Georgia High School Association, the State Executive Director shall notify the member schools involved and advise them of the charges and advise them of their right to submit evidence and their right to request a hearing. The State Executive Director, after hearing or examining the evidence of the party or parties concerned, shall render a decision.
- C. Should any member school not be satisfied with the decision, appeal may then be made to the State Appeal Board by filing a written notice of appeal to the State Appeal Board through the State Executive Director within seven (7) calendar days of the date of the decision, which notice of appeal shall clearly state the decision appealed and the reasons for such appeal. The State Executive Director shall notify the State Appeal Board and all other parties of the appeal. Provided however, that if the only issue under appeal is to request modification of the penalty imposed by the Executive Director, then the member school may appeal directly to the Executive Committee. Any appeal of the decision of the Executive Director does not suspend the ruling made or penalty assessed pending a ruling on the appeal.
- D. Appeal Board meetings shall be set on dates established by the Executive Director and published in the GHSA Calendar.
 - 1. Any request to the Appeal Board must be in the hands of the Executive Director seven (7) calendar days before the scheduled meeting date.
 - 2. Any other appeal requested (other than regularly scheduled dates) must be accompanied by a check sufficient to pay the entire estimated expenses of the Appeal Board to defray the cost of bringing the Appeal Board into session.
 - 3. All requests for appeals must be in writing with the stated reasons for an appeal, and signed by the administrative head of the individual school.
 - (a) An appeal of an eligibility decision must be based on one or more of the following reasons:
 - (1) There is substantial new information to be submitted that was not heard by the previous group making the decision that is being appealed.

- (2) There is an allegation that a GHSA rule was misapplied in that ruling.
 - (3) There is an allegation that due process was not given in previous considerations.
 - (b) An appeal of a decision by the Executive Director must be based on one of the following reasons:
 - (1) There is an allegation that a GHSA rule was misinterpreted.
 - (2) There is an allegation that the Executive Director did not afford due process to the school.
 - (c) All appeals shall set forth the basis for the appeal and the facts supporting the same, and shall be screened by the Executive Director for compliance with this rule prior to scheduling a hearing.
- E. The State Appeal Board, after hearing or examining the evidence submitted by the party or parties, may affirm or reverse the decision of the Executive Director. In order to sustain an appeal, the vote of the Appeal Board shall be unanimous.
- F. Should any member school not be satisfied with the decision of the State Appeal Board, they may appeal to the State Executive Committee by filing a written notice of appeal to the State Executive Committee through the State Executive Director within seven (7) calendar days of the date of the decision. The notice of appeal shall clearly state the decision being appealed and the reasons for such appeal. Such notice of appeal shall be accompanied by a check sufficient to pay the entire expenses of the State Executive Committee when such appeal is required to be heard at a time other than regularly scheduled meetings of the State Executive Committee.
- G. The State Executive Committee, after hearing or examining the evidence submitted by the party or parties concerned, shall render a decision to affirm, reverse, or modify the decision under appeal.
- H. No other method of appeal shall be held valid and any appeal must begin with the first step outlined and not eliminate any step until reaching the final court of appeal, the State Executive Committee. When the decision by the State Executive Committee is in favor of the appealing party or parties, the State Executive Committee may charge the expense of the meeting to the Georgia High School Association and reimburse the appealing party or parties.
- I. The Executive Director shall have the authority to lengthen or shorten the time for appeals of decisions, if required in his discretion, to accommodate pending schedules, events or other matters.

SECTION 10 VOTE

Each school shall have one (1) vote in a Region meeting and each member of the State Executive Committee shall have one (1) vote in the State Executive Committee meeting.

SECTION 11 AMEND CONSTITUTION AND BY-LAWS

- A. To amend the Constitution, it shall take a two-thirds vote of the members of the Executive Committee who are present at a regular or properly called meeting at which a quorum is present. Blank ballots, abstentions and pass votes are excluded.

BY-LAWS

The Georgia High School Association recognizes that local boards and/or governing bodies may place more stringent requirements as they deem appropriate. The Association encourages all boards of education and/or governing bodies to extend the same rules and regulations to all extra-curricular activities under their jurisdiction.

These rules establish the provisions governing student eligibility to participate in interscholastic activities.

- A. The word “student” used in these By-Laws refers either to a boy or girl participant in interscholastic athletics, cheerleading, or literary activities. - 1.57 **Failure to Meet Academic Standards:** When a school administrator believes that the student has failed to meet the academic eligibility requirements due to conditions that were beyond the control of the school, the student, and/or his parents, and such that none of them could have been expected reasonably to comply with the rule, he may request that the student's case be put on the agenda of the **Hardship Committee**.
- Ignorance of the rule(s) on the part of any individual is not sufficient cause to set aside the rule(s).
 - Schools must supply all the materials requested on the Hardship Application Form on the GHSA website.
- 1.58 **Credit Recovery/Make-up Work:** Students who have academic deficiencies at the end of a semester may make up those deficiencies in programs that are available to any student in the school. NOTE: Programs allowing students to recover academic credit have a variety of names in various schools.
- Credit recovery programs are short-term programs that involve a course that has been completed and a grade given. The student is given the opportunity to work on areas of deficiency.
 - Make-up programs occur when a course has not been completed and an "Incomplete" grade has been given. The student is given the opportunity to work on areas of deficiency.
 - Credit recovery and make-up work must be completed by the first day of the first semester and within 15 school days after the beginning of the second semester. The student is ineligible until such time as the work is completed and the required passing grade has been recorded. Exception: If the end-of-course test is not offered before the first day of the first semester or within the 15-school-day window of the second semester, the student may be granted a reasonable extension by the GHSA.
 - The GHSA Executive Director shall be authorized to approve credit recovery or make-up work completed later than the first day of the first semester or subsequent to the 15-school-day window of the second semester if he finds that the:
 - timeframe was not met due to circumstances outside the control of the student, his parent(s), and the school, AND
 - work was completed as soon as reasonably possible, AND
 - allowance for such a delay is offered on the same basis to all students in the school.

Students using those credits to gain eligibility are ineligible until the course is completed successfully. Credit recovery is used for remedial work only, and no new credit courses may be applied under this provision.

- (b) Schools with students having to meet only IEP requirements for course credit must establish an accounting process for the number of courses passed each semester, and for the awarding of units. Requirements for the date of entry into the ninth grade and for age apply to students with IEPs without variation.
- (c) Competitive interscholastic activities administered through local **special education programs** shall follow Georgia Department of Education guidelines and procedures for special education, and are exempt from GHSA requirements.

1.60 - SCHOOL SERVICE AREAS / TRANSFER / MIGRANT STUDENTS / MIGRATORY WAIVER

1.61 School **service areas** for member public schools are those attendance boundaries established by local boards of education from which a school normally draws its students. *The service area for a member private school is the public school's attendance zone in which the private school resides.* The service area for a startup or converted charter school will be the same as the school from which the charter school draws its students.

1.62 A **transfer student** who has established eligibility at a former school in grades 9-12 shall be **immediately eligible** at the new school if:

- (a) The student moved simultaneously with the entire parental unit or persons he/she resided with at the former school, and the student and parent(s) or persons residing with the student live in the service area of the new school. This is known as a "**bona fide move.**" (NOTE: A move within the **same** service area does not constitute a bona fide move.)
 - (1) The student may choose the public or private school serving that area.
 - (2) It must be apparent that the parent(s) or the persons residing with the student and the student have relinquished the residence in the former service area and have occupied a residence in the new service area.
 - (3) The following factors, although not conclusive, may be evidence of relinquishment of the former residence: Selling the residence and vacating it; OR vacating the residence and listing it for sale at a fair market value; OR vacating the residence and leasing it to another (other than a relative) at fair market value; OR abandoning the residence and shutting off the unnecessary utilities. NOTE: When a family claims multiple residences, the residence for which they apply for a homestead exemption will be declared the primary residence provided the family spends the majority of their time at this residence.
 - (4) The bona fide move is validated when the student's family maintains the new residence for at least one calendar year. A return to the previous service area within that year renders the student to be a migrant student. All hardship appeal processes are available.
- (b) The student was enrolled in a **private school or a magnet school** and has a bona fide move from one public school service area to another public school service area. A student in this situation may attend either the public school or a private school serving his area of residence.
- (c) The student was enrolled in a **non-member school** in Georgia and, without a bona fide move, transferred to a GHSA member school that serves his area of residence as long as:
 - (1) It is the initial move of the student from a non-member school to a member school serving his area of residence, AND
 - (2) The student was enrolled at the high school serving his area of residence in grades 9-12 before attending the non-member school, OR
 - (3) The student has not yet established eligibility in grades 9-12 at a member school serving his area of residence.
 - (4) A student who transfers from a GHSA member school to an independent school entering the GHSA in the next school year must be enrolled at the entering independent school by January 31 of the year preceding their becoming a GHSA member school in order to be eligible.
NOTE: Rules about joint custody transfers have control over the one-time transfer restriction in this by-law.
 - (5) *In compliance with the Dexter Mosley Act, schools must file eligibility for **home study students** using Transfer Eligibility Form "HS" found on the GHSA web site.*
- (d) The student transfers from a non-member home school and the receiving school grants credit so that the student has accumulated sufficient units. At the time such credit is given, the student must also have passed a minimum of at least 2.5 units the previous semester. The student becomes eligible when credit is awarded officially.

- (e) The student is involved in a **foreign exchange program** that is approved and published on the “Advisory List of International Educational Travel and Exchange Programs” published by the Council on Standards for International Educational Travel (CSIET). This list is found on the GHSA web site.
- (1) The student shall be considered eligible for a maximum period of one calendar year.
 - (2) The student shall not be a graduate of a secondary school in his home country.
 - (3) The student must maintain eligibility requirements at the member school.
 - (4) The foreign exchange program must randomly assign students to schools by a method that insures that no student, school, or other interested party may influence the assignment for athletic purposes. “Direct Placement” foreign exchange students must go through the hardship appeal process to become eligible.
 - (5) All eligibility forms (Form B) for foreign exchange students must be accompanied by documentation from the CSIET-approved foreign exchange program showing that the student has been placed according to the normal procedures for that agency.
- (f) If one of his/her parents or the custodial parent is a certified teacher or administrator teaching in grades 9-12 at the receiving school. This opportunity is available one time only at any given school. (NOTE: Rules about joint custody transfers overrule the one-time transfer restriction in this by-law.)
- (g) The student has one of the following family related circumstances which shall constitute a waiver of the “bona fide move” rule:
- (1) There is a **Superior Court Final Order** changing permanent physical custody of the student from one parent to the other parent and the student moves to the residence of the parent receiving custody in a new service area and attends the member school serving that service area. Note: All cases involving non-parental custody changes must be appealed through the hardship process.
 - (2) There is a **Superior Court Final Order** awarding permanent joint physical custody to the parents and the student elects to move from the residence of one parent to the residence of the other parent in a new service area and attends the member school serving that area of residence. Provided, however, that such an election can be made only once during a 12-month period beginning the date of the transfer and the Final Order must have specifically awarded the parents “joint physical custody” of the student. An award of “joint legal custody” shall not suffice for purposes of this paragraph.
 - (3) There is a death of the custodial parent with whom the student resided and the student moves to live with the other parent in a new service area and attends the member school serving that area of residence.
 - (4) There is a military transfer of one or both custodial parents that requires a change of residence of the student to a new service area and the student attends the member school serving that area of residence.
- (NOTE: Eligibility forms for transfer eligibility under paragraphs (1), (2) and (3) above must be accompanied by certified copies of applicable Court Orders. Eligibility forms for transfer eligibility under paragraph (4) above must be accompanied by true and correct copies of verifiable deployment orders.)
- (h) Students who are U.S. citizens and who have been enrolled and attended a high school in a foreign country, upon return to the U.S., shall be eligible to participate at a GHSA member school provided the student lives in the new school’s service area and is otherwise eligible under GHSA age, eight-semester, academic and other eligibility rules.
- (i) Students who are transferred from one school attendance area to another school attendance area by a **mandate of the local board of education** maintain their eligibility.
- (j) **Married students** setting up a household (domicile) shall be eligible in the school of their residence provided they meet all other requirements of eligibility.
- (k) Students at the Atlanta School for the Deaf will be eligible at the school serving their area of residence provided they meet all other eligibility requirements.
- (l) The migratory rule (See 1.63) will be waived **one time for boarding students only who enter the following schools:** Ben Franklin Academy; Darlington; Riverside Military Academy; Tallulah Falls. Exception: Students from foreign countries not on an approved foreign exchange program are not eligible.
- (m) Students entering a school as an “unaccompanied youth” under the conditions of the McKinney-Vento Act must go through the hardship appeal process to become eligible.
- (n) If approved by the local board of education, students enrolled in a **magnet or specialty school** shall be allowed to participate in GHSA extracurricular activities as a member of the school team for the school which they would ordinarily attend according to local board of education attendance policy. Provided, however, that:
- (1) If the magnet/specialty school offers the only activity in which the student elects to participate, the student shall be required to participate as a member of the magnet/specialty school program in that activity.
 - (2) Students at magnet/specialty schools may not participate in GHSA extracurricular activities at both the magnet/specialty school and the school that the student would ordinarily attend. Those students

must elect to participate in GHSA extracurricular activities at only one school per school year. For example, students could not play basketball at the magnet school and football at the home school.

- (3) The election of the student to participate in GHSA extracurricular activities for either the magnet/specialty school or the school the student would ordinarily attend shall be binding for the current school year.
- (4) Such students shall be required to comply with all GHSA eligibility and other rules. The member school shall be required to provide to the GHSA a copy of the local board of education approval of such participation.
- (5) The receiving school will submit students on an MT Eligibility Form. This form is available on the GHSA web site (www.ghsa.net).

1.63 Student Eligibility

- (a) A “**migrant student**” is a student who transfers into a GHSA school without a bona fide move or without one of the exceptions listed in by-law 1.62. The student may practice or compete at the sub-varsity level, but may not compete at the varsity level for one calendar year from the date of his entry into the new school. In the event that, after transfer, a student becomes or is later determined to be a migrant student, then the student shall be ineligible to compete at the varsity level for a period of one calendar year from that date.
- (b) *If a student has been ruled eligible to participate by the GHSA, but it is later determined that such eligibility should not have been approved, any ineligibility to participate in future GHSA activities may be assessed as of the date that such ineligibility was determined.*

1.64 *A student who is not eligible at the former school, and then transfers to a new school, cannot regain eligibility by the transfer. Academically ineligible students cannot gain eligibility by being adjudicated to YDC and subsequently returning to their resident school with earned credit. NOTE: The new school may file a hardship appeal if circumstances warrant.*

1.65 Students whose transfers from member school to member school have been approved by the GHSA office after the end of regular season play or during post-season play are not eligible for participation in GHSA sponsored tournaments and/or playoffs in that particular sport for the school year of transfer.

1.66 A student who is not eligible at one school because of **suspension or expulsion** and then transfers to a member school cannot regain eligibility by such a transfer, for the length of the suspension or one calendar year, whichever is less.

1.67 A **permissive transfer** is defined as an allowance by a local board of education for students and/or their parents to choose a school to attend without regard to the location of residence.

- (a) A student transferring from member school to member school on a permissive transfer is considered a migrant student.
- (b) A student transferring to or from a school housing a system-wide, singular academic or vocation program or a magnet program on a permissive transfer is considered a migrant student.
 - (1) The offering of an individual course or series of courses by one school in a system does not provide inherent justification to grant GHSA eligibility.
 - (2) Special options offered by a school system that allow students to attend a school outside their area of residence do not provide inherent justification to grant GHSA eligibility.
 - (3) Any such permissive transfer issue may be brought before the GHSA Hardship Committee.
- (c) Students transferring under the provisions of Federal or State academic accountability regulations must be processed through the normal hardship appeals process.
- (d) When a military base is located in two school districts, a student moving onto the base for the first time may choose to attend either school district, and that district will place the student appropriately. Any transfer after the initial placement will be subject to standard eligibility regulations.

1.68 **Hardship Applications** may be filed by an administrator at a member school when a student does not meet the standards of eligibility outlined in by-laws 1.50 (academic issues) and 1.60 (transfer issues).

- (a) The GHSA Constitution (Art. IV; Sec. 5; Subsection B4) specifies that the hardship issues must be beyond the reasonable control of the persons involved.
- (b) The process of appealing a decision of the Hardship Committee is outlined in the GHSA Constitution (Art. IV, Sec. 9, Subsection C & D).
- (c) In order for a hardship appeal based on a financial hardship to be approved, the new school must provide proof that the family attempted to address the financial problem at the previous school, and that the need-based financial aid was non-existent or insufficient to resolve the problem. Increases in tuition or other costs at a private school do not create an automatic reason to grant the appeal, because such fee increases are considered foreseeable and not unavoidable. Documentation of the financial problem is required.

- 1.69 When a new school opens, student eligibility shall be determined as follows:
- (a) When a school district mandates a service area for a new school for all grades enrolled at the new school, all students living within the mandated service area in those grades are immediately eligible. All students living outside the mandated service area who desire to attend the new school are considered migrant students and are ineligible for one year. Hardship appeals may be filed if conditions warrant.
 - (b) When a school district mandates some students to attend the new school, allows some students to stay at their present school, and permits some students to transfer to the new school, the school shall set a deadline for students living in the service area of the new school to decide whether they will move to the new school, or stay at the present school. The decisions exercised at the deadline date are binding. Subsequent changes render the student to be a migrant student with the one-year period of ineligibility. Students who are granted permissive transfers to enroll at the new school from other schools within the system are considered to be migrant students. Hardship appeals may be filed if conditions warrant.

1.70 - RECRUITING/UNDUE INFLUENCE

- 1.71 **Recruiting and Undue Influence** is defined as the use of influence by any person connected directly or indirectly with a GHSA school to induce a student of any age **to transfer** from one school to another, or **to enter** the ninth grade at a member school for athletic or literary competition purposes, whether or not the school presently attended by the student is a member of the GHSA.
- (a) The use of undue influence to secure OR retain a student for competitive purposes is prohibited, and shall lead to penalties being assessed against **either school**. This violation may cause the student to forfeit eligibility for one year from the date of enrollment, *provided however, that such period of ineligibility may be assessed from the date that recruitment/undue influence violation was finally determined to have occurred with regard to the student rather than from the date of enrollment. NOTE: The GHSA has historically construed periods of declared student ineligibility to begin upon a final determination of violation of an eligibility rule and this change is made to clarify that when violations are discovered after enrollment of the student, any ineligibility assessed will begin upon final determination of the violation rather than upon enrollment.*
 - (b) Evidence of undue influence includes, but is not limited to:
 - (1) personal contact with coaches, boosters, or other school personnel discussing participating in athletics upon a proposed transfer
 - (2) gifts of money, jobs, supplies, clothing, or housing incentives
 - (3) free transportation
 - (4) free admission to contests
 - (5) an invitation to attend practices and/or games
 - (6) a social event (other than an official schoolwide Open House program) specifically geared for prospective athletes
 - (7) free tuition beyond the allowable standards found in by-law 1.82
 - (8) a coach asking a prospective student for contact information
 - (c) Complaints or reports of violations of this rule will be investigated and handled on a case-by-case basis. If **coaches** are found to be in violation of the recruiting rule, a copy of the investigation will be forwarded to the Professional Standards Commission of the Department of Education.
 - (d) A school will be afforded an opportunity to demonstrate it could not reasonably be expected to be responsible for the actions of a booster who is found to have violated the recruiting/undue influence rules.
- 1.72 A student athlete transferring from one school to another shall be ruled ineligible for one year if it is proven that:
- (a) The coach of the receiving school coached an out-of-school team or all-star team on which the athlete played prior to the transfer; OR
 - (b) The coach at the receiving school acted as a private athletic instructor for the transferring athlete, regardless of whether the coach was paid for his services and/or expertise; OR
 - (c) The student participated in a sports camp or clinic run by a member school and/or its coach(es).
 - (d) The player who played for a coach at one school (GHSA member or non-member) and subsequently followed that coach when he/she moved to a GHSA school or changed schools within the GHSA membership. (This is not applicable to dependent children of the coach.)
 - (e) The situations cited in this by-law are considered to be violations even if a bona fide move has occurred, and the hardship appeal procedures are available for the demonstration that undue influence has not occurred.
- 1.73 A booster shall be considered to be an extension of the school and must abide by all rules applied to coaches and other school personnel. The following persons or groups may be considered boosters: members of the school's Booster Club; students; alumni; parents; guardians; or relatives of a student or former student; financial donors; donors of time and effort; personal trainers or coaches renting facilities.

1.80 - FINANCIAL AID

- 1.81 Any student who receives financial aid or non-GHSA approved gifts from any source and in any form (scholarships, tuition remission, cash, gifts, etc.) arising out of or **received in connection with their participation** in any sport or literary event shall be ruled ineligible. The duration of the ineligibility will last as long as the illegal benefits are being received. This prohibition shall not apply to awards under By-Law 1.90 or to other items approved by the GHSA.
- If tuition is charged, it must be paid by a parent, legal guardian, or other family member with the exception of payments coming from need-based financial aid.
 - It is not legal for donated funds to be designated for a specific student that are given by non-family members, businesses, churches or other organizations, except for programs specified by state law.
 - Schools may not employ students to work off their tuition costs.
 - The GHSA Executive Director will determine whether the financial aid or gift arose out of or in connection with participation in any sport or literary event.
 - If a school allows a student who has received such financial aid or gifts to participate in competition, the Executive Director shall assess an appropriate penalty.
- 1.82 Financial aid in the form of free or reduced tuition or other aid must be **need-based aid** as determined by a national student aid service or financial aid based on institutional policies for academic performance (classroom record and/or test scores) that is administered by persons not in the athletic department.
- 1.83 Member schools who award financial aid shall issue a statement to the Executive Director signed by the principal or headmaster of the school giving the following information:
- number of students enrolled in the school
 - number of students receiving financial aid
 - names of students (or a listing of student identification numbers) receiving financial aid who are involved in GHSA activities
 - certification that the percentage of students who participate in activities and who receive financial aid is the same percentage as the number of students receiving financial aid who do not participate in activities (plus or minus 5%)

1.90 - AMATEUR STATUS/AWARDS

- 1.91 A student who represents a school in interscholastic athletic competition shall be an **amateur** in that activity.
- An **amateur athlete** is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom.
 - Accepting nominal, standard fees or salary for instructing, supervising, or officiating in an organized youth sports program or recreation, playground or camp activity, shall not jeopardize an athlete's amateur status.
 - Reasonable compensation derived from private lessons in a sport is permissible.
- 1.92 An athlete **forfeits amateur status** in a sport by:
- competing for money or other monetary compensations except for reasonable allowances for travel, meals, and lodging. NOTE: Accepting expense allowances authorized by the United States Olympic Committee for Olympic Development Programs is acceptable for GHSA students.
 - receiving any award or prize of monetary value which has not been approved by the GHSA.
 - capitalizing on athletic fame by receiving money or gifts with monetary value except college scholarships.
 - signing a professional playing contract in any sport, or hiring an agent to manage his/her athletic career.
- 1.93 Only **awards** approved by the GHSA may be accepted by a high school student-athlete as a result of participation in school or non-school competition in a sport recognized by the GHSA.
- 1.94 **Symbolic awards** (i.e. non-cash) presented for winning or placing in GHSA competitions are limited to \$400 per year, per student in the aggregate, paid by the local school. These are the only GHSA-approved awards for interscholastic competition. Beyond this, a student may receive one (1) school sweater or jacket presented by the school during his high school career.
- 1.95 Athletes competing in golf or tennis events are limited to awards as specified in the United States Golf Association Rules of Golf, and the United States Tennis Association Handbook of Tennis Rules and Regulations, which includes (but not limited to) the following:
- No cash awards may be accepted.
 - Merchandise awards in tennis may be accepted up to a retail value of \$250.00.
 - Merchandise awards in golf may be accepted up to a retail value of \$750.00.

- 1.96 Players attending national camps or all-star events may keep reasonable benefits for housing, meals and transportation. Players may keep only equipment that is commemorative in nature and/or used in the process of the event's workouts.

BY-LAW 2.00 - SCHOOL

2.10 - SCHOOL MEMBERSHIP TO GEORGIA HIGH SCHOOL ASSOCIATION

- 2.11 **The GHSA is a voluntary association** available to any Georgia high school, grades 9-12, that has been authorized to seek membership by the local board of education or similar governing body of control.
- (a) Member schools agree to **conform to the Constitution and By-Laws of the GHSA.**
 - (b) Member schools agree to **conform to the rules of the region** organizations to which they are assigned.

2.12 **Procedure for Membership:**

- (a) The local board of education or similar governing body of control must adopt a **resolution authorizing membership** for the high school.
- (b) Membership is continued through the original resolution as long as the school is in good standing with the GHSA.
- (c) April 1 preceding the reclassification alignment process is the deadline date for new and existing private schools to join the GHSA for the next reclassification period. Newly established public schools will have a deadline date of April 1 to join the GHSA for the upcoming school year. No private school with an actual numerical enrollment of less than 150 students in grades 9-12 will be admitted to the GHSA.
- (d) Converted charter schools whose attendance zones and eligibility requirements do not change retain their membership in the GHSA. Converted charter schools or startup charter schools must apply for membership in the GHSA.

2.13 **Dues for Membership:**

- (a) The amount of the dues is **set annually** by the Executive Committee of the GHSA, and includes a portion of the cost of **catastrophic insurance.**
 - (1) Dues must be paid prior to October 15 of each year.
 - (2) Schools failing to meet the dues-payment deadline are not eligible to participate in any contest until membership dues are paid.
- (b) Dues are prorated according to the school's classification.
NOTE: Schools with a total enrollment of less than 50 students are assessed their insurance fees according to the actual number of participants.
- (c) The Dues schedule is as follows:

2A	\$490.00	\$590.00
A	\$365.00	\$465.00

- 2.14 If a school or school system initiates litigation against the association and the court rules in favor of the association, the school or school system shall be responsible for paying all court costs and attorneys' fees.
- 2.15 If the association conducts an investigation of a member school in reference to a possible violation of association rules and the member school is found to be in violation, the school shall be assessed the cost of the investigation in addition to any fines.
- 2.16 **Playing a Non-Region Schedule:** A school may choose to play a non-region schedule in football, fastpitch softball, basketball, and/or baseball, and this choice is in effect for the current reclassification cycle.
- (a) A school playing a non-region schedule may not participate in post-season competition.
 - (b) Results of games with a school playing a non-region schedule may not be used in region standings.
 - (c) Schools playing a non-region schedule in football, fastpitch softball, basketball and/or baseball must inform the GHSA office not less than 30 days prior to the first official playing date for that sport.
- 2.17 **Region and Area Divisions:** A classification in any sport will be considered Regionalized when a majority of the schools (with a minimum of 5) in all regions participate in that sport. In sports where all classifications are not regionalized, the classes may be divided into Area alignments, and two or more classifications, or

any portions thereof, may be combined at the discretion of the Executive Director. NOTE: Regions formed by the Reclassification Committee that consist of fewer than five (5) teams may be exempted from this rule.

2.20 - ADMINISTRATIVE RESPONSIBILITIES

- 2.21 The administrative head of each school shall have on file in the school office:
- a certificate of an **annual physical examination** given by a licensed medical physician, a doctor of Osteopathic medicine, nurse practitioner or a physician's assistant indicating the student is approved for participation in athletic activities before that student may try-out, participate in practice, conditioning drills or summer activities, or participate in interscholastic contests (see By-Law 1.41).
 - a written **Emergency Action Plan** for athletic practices and games. This plan must include responses to natural disasters, serious illnesses/injuries, and terroristic events, and must have the involvement of local law enforcement agencies, rescue agencies, medical doctors and hospital personnel.
 - The **Emergency Action Plan** (EAP) should include the following:
 - The venue-specific EAP should be reviewed and rehearsed annually prior to each sport season. Recommended personnel include local Emergency Medical Services (EMS), school public safety officials, school administrators, on-site medical personnel or school medical staff (team physicians or athletic trainers) and all pertinent coaching staff members.
 - The venue-specific EAP *and AED* should be accessible to all involved in a potential emergent situation *for practices, games or other athletic events*.
 - All emergency equipment which is available onsite, including Automatic External Defibrillators (AEDs), should be listed on the EAP, *stored in a safe place, be well-marked and publicized*.

These responsibilities are not to be delegated by the board of education, superintendent, or principal to any person or persons who are not a part of the school's professional staff.
- 2.23 The administrative head of each school is expected to be a person who believes in fairness and honesty as evidenced by the **strict adherence to all rules** and regulations in regards to eligibility of contestants representing his/her school.
- 2.24 The administrative head of each school is expected to employ those persons who exemplify fairness and honesty. Any certificated person who violates rules in regard to student eligibility, or illegal practices, or knowingly misleads a member school and/or the GHSA will have a report of that behavior sent to the Professional Standards Commission.
- 2.25 The administrative head of each school may submit to the GHSA Executive Committee such **recommendations for the improvement of the GHSA** as he/she may deem necessary.
- These recommendations must be submitted to the GHSA Office at least thirty (30) calendar days prior to the meeting of the Executive Committee.
 - A proposal brought to the Executive Committee that is denied by either a subcommittee or the full Executive Committee may not be submitted for three (3) regularly-scheduled meetings after the previous submission unless a substantive change has been made to the proposal.
- 2.26 The member institution has a responsibility to educate student-athletes, coaches, and other appropriate persons on GHSA rules and procedures that could affect them. Further, the member school should monitor its compliance with State Association guidelines.
- 2.27 Member schools that fail to follow stated procedures and deadlines may be assessed a fine for each violation.
- 2.28 Schools that need to cancel appointments scheduled with the Hardship Committee or the Appeals Board must do so at least 24 hours before the appointment. Failure to cancel properly will result in a fine.
- 2.29 Member schools are expected to fulfill their responsibilities for a sports season once they have committed to play that sport.
- If a school commits to play a sport at the region meeting that precedes the sport, or on March 1 for Area sports, and then drops out of competition before or during the season, the school will have to play a non-region schedule in that sport the next year.

- (b) If a school enters the competitive structure that qualifies it to advance in postseason competition, that school is expected to advance if it qualifies. Schools that drop out of competition after qualifying may be penalized with fines or probation.
- (c) Appeals for emergency circumstances may be filed with the Executive Director.

2.30 - ELIGIBILITY REPORTS FILED BY THE SCHOOL

- 2.31 **Eligibility reports** are required for all contestants prior to the calendar date for the first possible practice in any GHSA activity. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)
- (a) Students are not allowed to participate in academic, athletic or literary competitions until their eligibility reports have been received and processed by the GHSA Office.
 - (b) Failure to meet the eligibility deadline may lead the GHSA Executive Director to:
 - (1) Assess a fine to the school that is delinquent.
 - (2) Suspend the membership of a school that does not file eligibility reports.
 - (c) Reports not filed properly will be returned to the school for resubmission.
- 2.32 Schools **playing interscholastic contests before filing an eligibility report** on one or more participating students may be subject to one or more of the following penalties imposed by the GHSA Executive Director:
- (a) a fine per game or contest in which one or more participants had no eligibility report filed;
 - (b) forfeiture of any game in which one or more participants did not have eligibility report filed;
 - (c) restriction from competition in any sport if the fines assessed are not paid within fourteen (14) calendar days of notification.
- 2.33 **Supplementary eligibility reports** may be submitted at any time on transfer students, students coming out for the team after the initial report, and/or those students who gain eligibility at the beginning of a semester.
- 2.34 Once a student has been certified eligible by the school and has been processed by the GHSA, **eligibility is assumed to be continuing**, and no further eligibility report is necessary for that student during the school year unless situations occur that render the student ineligible.
- 2.35 If a student **loses eligibility and regains** it during the school year, a new eligibility report should be filed for that student.
- 2.36 **Changes of Eligibility Records:** When a school discovers that incorrect information has been given on an eligibility report, the school should contact the GHSA office for procedural instructions.
- 2.37 Requests to investigate a student's eligibility in regard to the transfer rule must be filed with the GHSA office at least twenty (20) calendar days before the end of the regular season in order for any penalties to be applied before the end of the playoffs.

2.40 - STUDENT RETENTION FOR INTERSCHOLASTIC ATHLETIC ACTIVITIES

- 2.41 Member schools shall prohibit participation in interscholastic activities by any student who was **retained in the eighth grade for competitive purposes**. The governing body of each school system shall develop a written policy showing that the system does not allow retention for competitive purposes.

2.50 - QUALIFICATIONS TO COACH

- 2.51 An athletic head coach must be a professional teacher, or hold a four-year degree while also employed in a teaching or administrative position, **meeting the teaching requirements and be employed** by only one board of education or similar governing authority within the GHSA membership, regardless of whether or not they are paid for their coaching (Exception: when all boards of education or similar governing authorities and all principals/headmasters involved sign a consent form on an annual basis he/she may coach at another school system), AND:
- (a) be employed for 20 or more hours per week on a regular basis in a professional, contracted position and must hold a **teaching certificate or leadership certificate** issued by the State of Georgia, OR

 - (c) be assigned as a **student intern** in a practice teaching situation under the guidance of a college or university teacher training program, OR
 - (d) be a **retired teacher** teaching or supervising (NOTE: coaching meets the supervising requirement of this by-law) less than one-half time (forty hours considered full time), OR
 - (e) be a certified teacher or administrator at a member school on medical leave governed by the "Family Medical Leave Act" and/or the "Georgia Teacher Maternity Leave of Absence" policy (see the GHSA web site for the required form).

- (f) If a currently certified faculty-coach at a member school loses his/her teaching position because of a reduction in force action, that school may petition the Executive Director in writing for that individual to continue to coach without going through the community coach training.
- (g) A teacher at a non-member school who is hired to be a coach at a member school **must** complete the GHSA Community Coach Education program and may **not** be a head coach. A consent form between the two schools must be completed annually.
- (h) If a school is in a charter or strategic waiver (IE²) system, the coach (head coach or assistant) must meet the highly qualified requirements outlined in the Georgia Professional Standards Commission's guidelines.

2.52 Member schools may employ persons who are not professionally certificated teachers as assistant coaches in their athletic programs. These individuals are referred to as "**community coaches.**"

- (a) Community Coach is defined as a person who does not have a professional-level certification, who relates in role and function to a professional and does a portion of the professional's job or tasks under the supervision of the professional, and whose decision-making authority is limited and regulated by the professional. Community coaches are not allowed to function without the immediate supervision of an educational professional and may not assume any of the duties of a varsity Head Coach or be named by the school as a varsity Head Coach.
- (b) Licensed para-professionals and full-time substitute teachers must complete the GHSA Coaches Education Program and testing program to be eligible to coach.
- (c) All community coaches should be signed to a written "agreement to coach."
 - (1) They may coach for only one board of education annually, regardless of whether or not they are paid for their services.
 - (2) Community coaches may not coach the same sport at more than one school even if there are multiple schools in the system.
- (d) All community coaches must complete the **GHSA Coaches Education Training and Testing Program** in "Sport First Aid" and "Principles for Coaches."
 - (1) Prospective coaches must be subject to a criminal background check before they are registered for the GHSA coaches education program.
 - (2) Courses are offered at various times each school year throughout the state.
 - (3) Prospective coaches are registered with the GHSA office by the school hiring them.
 - (4) No community coach may do any GHSA coaching until he/she has been notified that the GHSA Coaches Education Program had been completed successfully.
- (e) It is recommended that the following **priority for employment** be used:
 - (1) certified employees in the local system (secondary, middle, elementary, central office, etc.);
 - (2) retired certificated personnel;
 - (3) community coaches who have completed the GHSA Coaches Education Program.
- (f) All community coaches must attend a regular GHSA rules clinic each year for any sport in which they coach beginning with their first year of service or the school will be fined.
- (g) No person who has coached a non-GHSA team in a sport or activity within the previous 12 months may be hired or utilized by a GHSA member school in that same sport or activity IF any of that GHSA school's players participated on the non-GHSA team that person coached.

2.53 GHSA member schools must **register** all coaches in **all** GHSA governed activities according to the following:

- (a) An initial directory listing of administrators and coaches must be completed and filed with the State Office by August 1 of each year. Only professionally certificated personnel, or individuals holding a four-year degree who are employed in a teaching or administrative position, are to be included on the initial directory listings.
- (b) **Qualified** Community Coaches are to be reported on the "School Staff Roster" on the GHSA web site. Only those persons who have successfully completed the **GHSA Coaches Education Program** are to be listed. NOTE: Schools must verify the successful completion of the coaches education program BEFORE community coaches are submitted to the GHSA and BEFORE any coaching activities are allowed (forms on the GHSA web site).
- (c) After August 1, schools will have occasion to add members to their coaching staff. It is the responsibility of the member school to register these additions in a timely manner, using the School Staff Roster on the GHSA web site.
- (d) Failure to comply with these procedures could result in punitive actions including, but not limited to, fines, forfeitures and other penalties assessed to the member school.

2.54 **Every faculty coach, community coach, and student-teaching intern at a GHSA member school must complete:**

- (a) **a GHSA-sponsored rules clinic** if he/she coaches the following sports or activities: cross country, football, softball, volleyball, riflery, literary, one act play, cheerleading (spirit and/or competitive), basketball, lacrosse, wrestling, swimming and diving, track, baseball, golf, soccer and gymnastics.

(b) **CPR (minimum compression only) and AED training** prior to any team activity or within a maximum of 30 days from the start of a team activity and it must be renewed at a minimum of every two years.
NOTE: A fine for each coach who does not complete a rules clinic, or who does not complete the required CPR and AED training, before the assigned deadline will be assessed to the school.

- 2.55 A **coach** on the payroll of one school district, but under contract to another school district for the following year, may help with **spring practice** at the new school if arrangements are satisfactory with both systems.
- 2.56 A person who is an active official or an assignor of officials at the high school level may **not** be a head coach or an assistant coach at a GHSA school in the same sport.

2.60 - INTERSCHOLASTIC CONTESTS AND PRACTICES

- 2.61 All **practices** (team and individual) and all **regular-season interscholastic contests** for GHSA-member schools shall be **conducted outside the school day of the participants' school**.
- Regional, Sectional, and/or State **playoffs are exempt** from this rule.
 - The "**school day**" is **defined** as: that period of time between when students are required to report to school and the time of dismissal of that school. **EXCEPTION:** When the host school is not in session on a given day, competitions may be scheduled earlier than normal dismissal time for the host school. However, any school that is in session on that day may not compete in that event before the normal dismissal time of that school.
 - A player who participates in a GHSA sport may not participate in practices that occur during the school day. Practice is defined as any activity that is school-initiated, organized, coordinated or supported.
 - All practices will have a maximum length of 3 hours.
 - A maximum of two (2) practice sessions may be held in the same day. When multiple sessions are held, the maximum practice time is extended to five (5) hours. Sessions must be separated by a three (3) hour rest break in a cool environment and this rest break cannot include weightlifting or conditioning. When a double session practice day occurs, the following practice day must be a single session day. (Football contact guidelines must be followed)*
 - Football participants complete the five (5) day acclimatization period that starts five (5) weekdays prior to the first official day of practice of each calendar year.*
- 2.62 The GHSA shall provide **rules and regulations for competition** among member schools for those competitive activities listed in the GHSA Constitution and By-Laws.
- Member schools may be allowed to schedule and play **GISA** and **GAPPS (formerly GICAA)** member schools provided the principal or athletic director of each agrees in writing, utilizing the standard "GHSA Cross-Play Contract," available on the GHSA web site (www.ghsa.net).
 - GISA and GAPPS schools competing with GHSA schools must comply with all GHSA safety rules and requirements, and must be in compliance with Official Code of Georgia Sections 20-2-319.2 relating to pre-participation physical exams and 20-2-324.1 relating to concussion management protocols.
 - Participants must be in compliance with all eligibility rules of their respective associations with the exception that only those participants in grades 9-12 shall be allowed to participate.
 - Such competition shall not be counted nor the results considered toward GHSA post-season competition.
 - In situations not covered by section (a), member schools shall **compete, practice or scrimmage only against other member schools** or against schools that are full members of the State Association in their respective states (NOTE: Football games may be scheduled only if the opponent is a full member, without restrictions, of its state athletic association). When competing internationally, member schools may compete only against school teams in that nation that are composed of students of similar ages. International exhibition competitions or scrimmages are not allowed. NOTE: When member schools compete out of state, the host state's adaptations of NFHS playing rules will be enforced, and all GHSA by-laws regarding sportsmanship, eligibility and game times will be enforced.
 - Member schools are **permitted to compete against non-member schools** in activities not listed in the GHSA Constitution and By-Laws.
 - The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
 - A member school shall have no more than one varsity, one junior varsity, and one 9th grade team.
 - Any **sub-varsity team** is limited to a maximum number of games equal to 70% of the varsity allotment in that sport. **EXCEPTION:** New schools that have only 9th and 10 grades with JV teams only (no varsity) are allowed to play the number of games allowed for varsity teams.
 - Competition between sub-varsity and varsity teams and/or individuals** at the same event is prohibited. An exception may be made by the Executive Director for schools just opening and for schools just starting a particular sport.

- (3) In the sports of Cross Country, Golf, Swimming, Tennis, Track & Field and Wrestling, a school may use a “**split squad**” at two regular season events on the same day at the varsity or sub-varsity levels. Both of the contests must be counted against the total number of contests allowed in that sport. Individual players may not exceed the total number of contests allowed at the varsity level of that sport.
 - (4) **Unattached Competitor:** Individual athletes may participate in non-GHSA events in the sports of Cross Country, Golf, Gymnastics, Riflery, Swimming, Tennis, Track and Wrestling as long as they do not represent their school, do not wear the school uniform, and are not coached at the event, or transported to the event, by their high school coach. “House teams” made up of athletes from various schools competing in a GHSA event are not considered to be unattached competitors and are illegal.
 - (5) No athlete will be allowed to compete in a GHSA game or contest (even in post-season play) unless accompanied by certified professional school personnel whose names have been submitted to the GHSA as coaches. Those students chaperoned by someone other than a certified professional will **not** be allowed to compete.
 - (6) In any GHSA sport, there may be no “**open**” competitions or exhibition performances that extend participation beyond the three levels of competition (i.e., varsity, JV, 9th grade) mandated in this by-law. The only interscholastic contests in which results are disregarded are scrimmages as defined below.
 - (7) **Drones** shall not be permitted to fly during any GHSA sanctioned contest. Note: This prohibition begins when the gates or doors open and extends until the last spectator has left the field or arena.
 - (8) **Live Animals** are prohibited at any indoor GHSA event unless a signed permission letter is acquired from the principal of the school wishing to bring the animal and the principal of the host school (if different). A copy of this letter must be provided to the GHSA office. NOTE: This by-law does not pertain to certified service animals.
- (f) One **interscholastic scrimmage** (two teams meeting head-to-head) is allowed in the sports of Baseball, Basketball, Football, Lacrosse, Soccer, Softball, Volleyball and *Wrestling (tri match allowed on days preceding school or quad match on days not preceding a school day)*.
- (1) This scrimmage may be scheduled anytime between the beginning of practice as set by the GHSA and the first regular season game for each team.
 - (2) This scrimmage is for varsity teams only, and shall be played with normal timing and/or scoring rules except as noted in individual sports sections.
 - (3) Officials registered with GHSA must be assigned, and the GHSA “Fee Chart” must be followed.
 - (4) A school may not scrimmage another school that is counting the scrimmage as a regular-season contest.
- 2.63 **Written contracts** are **required** for all baseball, football, basketball, wrestling and fastpitch softball contests, and are strongly **recommended** in all other interscholastic contests that are scheduled between member schools.
- (a) Contract forms can be found on the GHSA web site.
 - (b) Contracts are also recommended for all sub-varsity contests.
 - (c) GHSA-member schools are expected to fulfill the conditions of any game contract that has been properly executed.
 - (1) Exceptions to the contract may be made with the agreement and consent of both schools.
 - (2) Member schools that fail to fulfill the requirements of a scheduled event may be required to make **restitution** to the competing school if that school is unable to secure an opponent (This includes multi-school events). The offended school shall petition the Executive Director for the desired restitution.
 - (3) Schools failing to fulfill a game contract may be **suspended** in that sport for one (1) full calendar year or the corresponding date of the next calendar year, whichever is greater.
 - (4) **EXCEPTION:** The GHSA Executive Director may excuse the failure to fulfill a game contract if, in his opinion, the circumstances causing the failure were outside the control of the school officials.
 - (d) All athletic events hosted by GHSA-member schools (except Cross Country, Golf, Riflery, Tennis and Track) shall be officiated at all levels of competition by **officials** who are members of associations that are approved by the GHSA. (Exception: situation noted in By-Law 2.95).
 - (1) Officials’ associations and their assigned schools shall include the method of payment in their contract.
 - (2) It is recommended that the same number of officials be used in regular-season competitions as the number used in playoff competitions in that sport.
 - (e) **Forfeiture and Restitution Policy**
 - (1) If a team does not arrive at the game site for any contest without notifying the host opponent of a late arrival, that contest will be forfeited 30 minutes after the scheduled game-time. If the second game or contest was to be played by a different team (**EXAMPLE:** girl/boy or JV/varsity combination events), then a decision to forfeit that game will be made 30 minutes after the scheduled beginning of the second game.
 - (2) If there are to be multiple games by the same team and the team does not arrive at the game site without notifying the host opponent of a late arrival, all games will be forfeited 30 minutes after the scheduled game-time of the first contest. **EXAMPLE:** softball or baseball doubleheaders

- (3) If a school fails to show up for a game or cancels a game within twenty-four (24) hours of the scheduled starting time without an emergency condition or weather-related conditions, that school shall pay a forfeiture fee to the host school equivalent to the cost of the officials. NOTE: If the host school is the violating team, the fee will be paid directly to the officials association. The host school shall reimburse the visiting team(s) for mileage incurred by the visiting team(s) when this by-law is violated by the host team).
- (4) If a school fails to show up for a game or cancels within twenty-four (24) hours of the scheduled game time without emergency reasons or weather-related reasons for a second time, that school must make restitution again and must show cause to the GHSA Executive Director as to why they should not be placed on probation by the GHSA.
- (f) The minimum penalty for allowing an ineligible athlete to participate in an interscholastic contest is forfeiture of the game(s). Fines or other penalties may also be imposed. NOTE: If it is determined by the Executive Director that the school has exercised every reasonable precaution and has been deceived regarding the student's data, any or all penalties may be set aside.
- (g) A team shall forfeit any team standing or points toward team honors when an ineligible student participates in a contest. In sports where individual titles may be won (Cross Country, Literary, Riflery, Swimming & Diving, Traditional Wrestling, Gymnastics, Golf and Track), eligible individuals will keep their placements and opportunities to advance toward individual honors even if a teammate participated while ineligible.

2.64 **Tournaments or multiple-meets**, other than the Region or State elimination series must be approved (**sanctioned**) by the GHSA Executive Director, subject to the special conditions for athletics and/or other activities.

- (a) A GHSA-member school shall not enter a tournament which requires sanctioning until that tournament has been **approved by the GHSA Executive Director**.
 - (1) The GHSA Executive Director may assess a fine and/or other penalties against a member school that violates the sanctioning rules.
 - (2) Member state championship teams receiving an invitation to nationally-recognized tournaments held after the designated sports season has ended must apply to the Executive Director for approval. Such application must be signed by the principal of the school, must be submitted at least 14 calendar days prior to the beginning of the tournament and must include the following: contact information for the tournament organizer; proposed plans for the school to include manner and date of travel; number of hours of instruction to be missed and fees to participate. A decision not to approve may be appealed to the GHSA Board of Trustees, who shall review the information submitted to the Executive Director. No additional information or documentation shall be considered. The vote of the majority of the Trustees shall control.
 - (3) **Tournament participation limits** are set for each sport, and they are listed in the specific sport sections in this document.
- (b) All **applications for sanctioning** must be submitted to the GHSA thirty calendar (30) days prior to the tournament by a GHSA-member school.
NOTE: Tournaments that require National Federation sanctioning are an exception to this rule.
- (c) The host school for all sanctioned tournaments shall **pay five percent (5%)** of all gross gate receipts **to the GHSA** within fourteen (14) calendar days after the tournament.
 - (1) Total gate receipts before expenses are paid equals the gross receipts.
 - (2) A financial report of the event shall accompany the payment.
- (d) GHSA approval for **tournaments in contiguous states** is needed when there are four or more schools participating.
- (e) Approval for **tournaments in Georgia** is needed when:
 - (1) it is a tournament involving four or more schools OR
 - (2) it is a tournament in which awards are given.
- (f) Tournaments that require **approval from the National Federation** are:
 - (1) any interstate tournament in which more than eight schools participate, and at least one participant is from a non-contiguous state OR
 - (2) any interstate tournament that involves schools from five (5) or more state High School Associations, and at least one of them does not border on the State of the sponsoring school OR
 - (3) any international tournament (except competition with Canadian and Mexican high schools) OR
 - (4) any interstate tournament involving two (2) or more schools which is co-sponsored by or titled in the name of an organization outside the high school community (e.g., a university, a theme park, an athletic company).
- (g) The GHSA Executive Director has the authority to approve competition between GHSA schools and **private schools from states in which membership in the State Association is not allowed**. These non-member schools must meet or exceed the State Association standards in order to compete with GHSA schools.
- (h) In all sports except Football, a team (subvarsity or varsity) may play multiple games on a single calendar day in a tournament setting. NOTE: In these instances, the special "quarter/half participation rules" in

basketball and soccer are waived. When playing multiple games in a single day in Basketball, Soccer and Lacrosse, there must be at least a four (4) hour scheduling interval between games.

- (i) For any one-day event in which more than two schools compete (i.e., a basketball showcase or some similar event), the following stipulations are in effect:
 - (1) A “host school” must be designated for each game even if the games are played at neutral sites.
 - (2) The host school must provide a Game Manager for that game.

 - (4) These special events will require sanctioning approval from the GHSA office.

2.65 Available Seating: Member schools shall provide a seat for each ticket sold to any contest regulated by the GHSA.

- (a) An available seat is defined as twenty-four (24) inches in width.
- (b) Each school is required to make a determination of the available seats prior to the beginning of the contest.
- (c) At outdoor events, “standing room” tickets may be sold as long as they are identified as such at the time of the purchase, and as long as there are no problems with safety and security with such an arrangement.

A petition may be filed with the Executive Director to waive the 11:30 p.m., curfew for teams of different classifications or competitions with out-of-state teams when there are special circumstances.

2.67 Practice Policy for Heat and Humidity:

- (a) Schools must follow the statewide policy for conducting practices and voluntary conditioning workouts (this policy is year-round, including during the summer) in all sports during times of extremely high heat and/or humidity that will be signed by each head coach at the beginning of each season and distributed to all players and their parents or guardians. The policy shall follow modified guidelines of the American College of Sports Medicine in regard to:
 - (1) The scheduling of practices at various heat/humidity levels.
 - (2) The ratio of workout time to time allotted for rest and hydration at various heat/humidity levels.
 - (3) The heat/humidity levels that will result in practice being terminated.
- (b) **Football Only: Acclimatization and Re-Acclimatization (prior to October 1st)**
 - (1) *Acclimatization*
 - a. *Football practice may begin five consecutive weekdays prior to the start date for football.*
 - 1. *In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:*
 - (a) *The time for a session shall be measured from the time the players report to the practice or workout area until they leave that area.*
 - (b) *During acclimatization practices, teams may hold a walk-through as long as there is at least a three-hour break between the two activities.*
 - (2) *Re-Acclimatization – Required for any athlete who misses five (5) consecutive days of practice for any reason.*

 - e. *Day 5: 2.5 hours practice with full pads or play a game*
- (c) A scientifically-approved instrument that measures the Wet Bulb Globe Temperature must be utilized at each practice (prior to October 1) to ensure that the written policy is being followed properly. WBGT readings should be taken at a minimum of every 30 minutes, beginning 30 minutes prior to the start of practice. All WBGT monitors shall be calibrated, at a minimum, every two (2) years or earlier if recommended by the manufacturer.

WBGT ACTIVITY GUIDELINES AND REST BREAK GUIDELINES

Under 82.0 Normal Activities - Provide at least three separate rest breaks each hour with a minimum duration of 3 minutes each during the workout.

- 82.0 - 86.9 Use discretion for intense or prolonged exercise; watch at-risk players carefully. Provide at least three separate rest breaks each hour with a minimum duration of 4 minutes each.
- 87.0 - 89.9 Maximum practice time is 2 hours. For Football: players are restricted to helmet, shoulder pads, and shorts during practice, and all protective equipment must be removed during conditioning activities. If the WBGT rises to this level **during** practice, players may continue to work out wearing football pants without changing to shorts. For All Sports: Provide at least four separate rest breaks each hour with a minimum duration of 4 minutes each.
- 90.0 - 92.0 Maximum practice time is 1 hour. For Football: no protective equipment may be worn during practice, and there may be no conditioning activities. For All Sports: There must be 20 minutes of rest breaks distributed throughout the hour of practice.
- Over 92.0 No outdoor workouts. Delay practice until a cooler WBGT level is reached.

- (d) Practices are defined as: the period of time that a participant engages in a coach-supervised, school-approved sport or conditioning-related activity. Practices are timed from the time the players report to the practice or workout area until players leave that area. If a practice is interrupted for a weather-related reason, the "clock" on that practice will stop and will begin again when the practice resumes.
- (e) Conditioning activities include such things as weight training, wind-sprints, timed runs for distance, etc., and may be a part of the practice time or included in "voluntary workouts." *Conditioning activities are not permitted to be used as punishment.*
- (f) A walk-through is not a part of the practice time regulation, and may last no longer than one hour. This activity may not include conditioning activities or contact drills. No protective equipment may be worn during a walk-through, and no full-speed drills may be held.
- (g) Rest breaks may not be combined with any other type of activity and players must be given unlimited access to hydration. These breaks must be held in a "cool zone" where players are out of direct sunlight.
- (h) When the WBGT reading is over 86, ice towels and spray bottles filled with ice water should be available at the "cool zone" to aid the cooling process AND cold immersion tubs must be available for the benefit of any player showing early signs of heat illness. In the event of a serious EHI, the principle of "Cool First, Transport Second" should be utilized and implemented by the first medical provider onsite until cooling is completed (core temperature of 103 or less).

2.68 GHSB Concussion Policy and SB 60, Sudden Cardiac Arrest Prevention Act

- (a) **GHSB Concussion Policy**: In accordance with Georgia law and national playing rules published by the NFHS, any athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include: licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician's assistant, or certified athletic trainer who has received training in concussion evaluation and management).
- (1) No athlete is allowed to return to a game or practice on the same day that a concussion (1) has been diagnosed OR (2) cannot be ruled out.
 - (2) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.
 - (3) *Any athlete who has been diagnosed with a concussion must fully return to school (if in session) for a full day prior to returning to practice.*
 - (4) It is mandatory that every coach in each GHSB sport (including Community Coaches, Student Teachers, and Interns) participate in a free, online course on concussion management prepared by the NFHS and available at www.nfhslearn.com at least every two years.
 - (5) Each school will be responsible for monitoring the participation of its coaches in the concussion management course, and shall keep a record of those who participate.
 - (6) Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the dangers of concussion injuries, the signs/symptoms of concussion, and the concussion management protocol outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete and a copy kept on file at the school.
- (b) **SB 60, Jeremy Nelson and Nick Blakely Sudden Cardiac Arrest Prevention Act**: In accordance with Georgia law:
- (1) Each school must distribute to every athlete and his/her parent/guardian an information sheet that includes: the Early Warning Signs, How to Recognize Sudden Cardiac Arrest, and Learn Hands-Only CPR outlined in this by-law. This sheet must be signed by the parent/guardian of each athlete, each athlete and a copy kept on file at the school.

- (2) Each school must hold an informational meeting twice per year regarding the symptoms and warning signs of sudden cardiac arrest. At such informational meeting, an information sheet on sudden cardiac arrest symptoms and warning signs shall be provided to each student's parent or guardian. In addition to students, parents or guardians, coaches, and other school officials, such informational meetings may include physicians, pediatric cardiologists, and athletic trainers.

2.69 **Legal practice dates** are established for each activity (see the calendar at the beginning of this publication), and schools shall not conduct or allow an **illegal practice**.

- (a) The **beginning of each GHSA school year** is designated as August 1st. The **end of the GHSA school year** is designated as when an individual school ends its classes in the Spring.
- (b) **Illegal practices** are **defined** as practices involving five or more students participating in any extracurricular activity in the presence of, or under the direct or indirect supervision of any coach of the school (including a community coach). **At any given point in time**, only one (1) coach in a sport may work with up to four (4) athletes in skill-building drills.
- (1) Any practice occurring after the beginning of the school year and **before the opening of the designated season** is an illegal practice.
- (2) Any practice occurring **after the end of the season** for that team and before the end of the school year for students in that school is an illegal practice.
- (3) **During the summer** (i.e., between the ending of one school year and the beginning of the next) the only restrictions on practices and competition are that all activities must be strictly voluntary, and two (2) "**Dead Weeks**" must be observed, as follows: Schools are prohibited from participating in voluntary workouts, camps and/or clinics, weight training or competitions during the week (Monday through Sunday) beginning with Memorial Day in May, AND the week (Monday through Sunday) in which the Fourth of July falls each year.
- (4) It is illegal for a team to go to a competitive or instructional camp or clinic during the school year.
- (a) If the event is held out of season, it would constitute an illegal practice.
- (b) If the event is held in-season, it would involve illegal coaching.
- (c) Boys and girls teams in the same sport are considered the same activity.
- (d) This prohibition does not apply to the summer months.
- (5) Neither coaches, former coaches (including community coaches), nor any other school personnel shall suggest, require, or otherwise **attempt to influence students** to participate in or practice for a sport outside the GHSA-designated season. (NOTE: This would prohibit requiring any student to participate in one sport in order to be allowed to try-out and/or play another sport at his school).
- (6) The following activities are **examples of illegal practices**:
- (a) interscholastic scrimmages or practice competitions not in compliance with By-Law 2.62e;
- (b) practices involving alumni or students who presently are not eligible at the member school at any time in the school year;
- (c) practices against a non-school team at any time in the school year;
- (d) practices of any kind outside the season designated by the GHSA.

NOTE: Free Style and Greco-Roman Wrestling are considered to be the same sport as Folk Style (high school) Wrestling and are subject to GHSA rules regulating illegal practices.

- (7) Coaches are allowed to be spectators (in the stands) or "fellow competitors" at non-school events out of season as long as no coaching occurs.
- (8) Schools found guilty of having illegal practices will be subject to **penalties** that may include a fine, warning, probation, and/or suspension by the GHSA Executive Director.
- (c) A GHSA coach (certified teacher or community coach) may not coach a non-GHSA team in a competitive setting during the school year that includes any player(s) who participate in the sport he/she coaches at the member school. EXCEPTION: In a situation in which the child or step-child of the coach is the only player on a non-school team from the coach's school, the coach would be exempted from this rule.

2.70 - SPORTSMANSHIP

2.71 GHSA-member schools are required to conduct all relationships with other schools in a **spirit of good sportsmanship**.

- (a) It shall be the responsibility of a member school to use every means at its disposal to impress upon faculty, students, team members, coaches, and spectators the **values of sportsmanship** in preparation for the management of interscholastic contests. Contest officials have the authority to have any and all individuals removed from the confines of the contest whose behavior has become a distraction and/or hindrance to the administration of the event. This may include, but is not limited to, verbal and visual gestures.
- (b) The Executive Director shall have the authority to assess penalties against schools and/or coaches for conduct unbecoming a professional educator or coach committed by coaches or other school personnel at GHSA events. Penalties against schools may include fines, probation or suspensions; and penalties against coaches and other school personnel may include suspension from GHSA events.

- (c) It shall be the **responsibility of the home or host school** to take the following precautions at all interscholastic athletic events:

- (d) Each school must develop a **plan to handle fight situations** that may occur during an athletic contest.
 - (1) Attention must be given to keeping **substitutes** in the bench areas throughout the fight, and to keeping **spectators** away from the competitive area.
 - (2) **Schools** whose substitutes leave the bench area to go to the area of a fight will be **fined** by the GHSA Executive Director.
 - (3) All players who are involved in a fight and any substitutes who leave the bench area during a fight or potential fight and are **ejected** from the current contest, will be subject to the sit-out rule.
 - (4) The GHSA office may review film to determine participants in a fight situation, or to determine athletes leaving their bench to go to a fight, or to verify the correct number worn by a player in either of these situations. Note: penalties may then be levied, modified or changed based on this film review.
- (e) Players and coaches are expected to exhibit good sportsmanship before, during and after a contest, even if the game officials do not have jurisdiction. Behaviors such as taunting, fighting, etc., are forbidden.
- (f) No coach may remove his/her team from competition before the end of the contest unless it is done in accordance with the playing rules of that sport.

2.72 Any **player, coach, or team attendant** who is **ejected** from a GHSA contest shall be suspended from all levels of competition (i.e., varsity or sub-varsity) in that sport or activity (regular season or playoffs) until the period of suspension has expired. NOTE: Ejection penalties must be served at the next contest regardless of whether or not the school has received notice from the GHSA office by that time.

- (a) Ejections are based on judgment calls by a contest official and are not reviewable or reversible.
- (b) A coach shall have no role nor be in attendance at pre-contest warm-ups or activities, and shall not be in uniform in attendance at contests until the period of suspension has expired.
- (c) A player or team attendant may not be on the competitive area nor in the team bench area during any contest until the period of suspension has expired, but is allowed to participate (not in uniform) in Senior Night recognition.
- (d) The **period of suspension** resulting from an ejection will expire as follows:
 - (1) **Football:** after the individual has been withheld from the next-scheduled game at the level at which the ejection occurred (and all contests at any other level).
 - (2) **Soccer:**
 - (a) One-Game Sit-out:
 - 1. Two yellow cards in the same game
 - 2. Deliberate handball to prevent a goal
 - 3. Red card for a foul on a player moving toward his goal in a scoring situation
 - (b) Two-Game Sit-out with Red Card for any of the following: taunting, violent conduct, serious foul play, spitting on another person, foul or abusive language, leaving the bench area for a fight situation.
 - (3) **Lacrosse** players who are ejected or foul out will sit out as follows:

 - (b) GIRLS: Any player who fouls out for accumulation of two (2) yellow cards in one game will sit out the next scheduled game. Any player or coach given a red card for unsporting behavior or violent conduct will sit out two (2) games.
 - (4) **Track and Field:** after the individual has been withheld from the next scheduled contest. NOTE: All allegations of unsporting behavior must be referred to the "Jury of Appeals" for a final resolution on disqualification. A report must be submitted to the GHSA office in the event of a disqualification.
 - (5) **All Other Activities:** after the individual has been withheld from the next two (2) scheduled contests at the level at which the ejection occurred.
- (e) To satisfy the penalty of the sit-out game(s), those games must have been scheduled at the time of the ejection, and must be played to completion.
- (f) Penalties for **ejections** of a coach or player for unsporting acts shall be:

 - (5) Penalties imposed by the GHSA Executive Director may be appealed as described under Section 9 of Article IV, in the GHSA Constitution.
 - (g) If the ejection occurs in the last game of a season, the penalty carries over to the first game of the next sport in which the student or coach participates (even if the ejectee transfers schools).
 - (h) When a player or coach is ejected from a pre-season scrimmage (i.e., a practice game) in any sport, the school shall be fined a minimum of \$250 and there will be no sit-out penalties imposed.
 - (i) Game Incident Reports are due within 24 hours of the contest, and are to be submitted via the GHSA electronic reporting program.

- 2.78 Unsporting acts committed by players or coaches will be handled as follows:

 - b) If the inappropriate behavior occurs after the officials' jurisdiction has ended, but the official(s) witness the behavior, a Game Report shall be filed with the GHSA office and administrative penalties will be assessed against the school of the guilty parties by the Executive Director.
 - c) In the case of repeat offenders of unsporting acts, the Executive Director will be authorized to levy penalties against the school of the guilty parties regardless of whether or not an ejection has occurred.

Entertainment and commercial uses of highlights are not considered bona fide newscasts and are prohibited. Highlights may not exceed one minute per contest, or two minutes total running time in any single newscast without the consent of the GHSA. Highlights may be used, subject to the above guidelines, up to 72 hours after the event. NOTE: Members of the working press shall be allowed to use digital video cameras at GHSA state playoff events as long as such cameras are being used to obtain still images or video highlights as defined in this By-Law.  - Judgement calls by contest officials are not reviewable or reversible.
- 2.93 **Interrupted/Postponed Games:** Any GHSA competition may be interrupted due to human, mechanical, or natural causes when it is necessary to protect the safety of players and spectators. The Executive Director shall have the authority to postpone GHSA events and to direct the procedure for rescheduling when deemed necessary.
- The GHSA requires the host school to provide lightning detectors at all outdoor athletic activities.
 - When a lightning detector indicates a dangerous situation, the game manager will notify the head official. At that point, the official will suspend play and all participants and fans will go to a place of safety (NOTE: If officials spot lightning before being notified, they may suspend play).
 - The contest may resume in accordance with procedures published in the NFHS Rules Book.
 - Postponed games** are games that are terminated before they actually begin because of weather problems, emergency situations, or mechanical failures.
 - The host school should notify the opposing team and officials as early as possible when a contest is postponed.
 - The host school is responsible for determining whether an event is to be postponed until the time that game rules turn that responsibility over to game officials except when there is a written contract for that game. When there is a contract, there must be an agreement between the competing schools about the postponement.
 - School personnel will agree on the rescheduling of the contest.
 - Suspended and/or Terminated Games** - When game officials suspend a game due to weather issues, the following procedures are in place:
 - For all Baseball, Softball, Lacrosse, Soccer and JV Football contests involving teams of different classifications, there will be up to a two-hour delay (cumulative) before the contest will be terminated. (See the Baseball and Softball Sections to see the procedures involved with terminated games.)
 - If the Lacrosse, Soccer or JV Football contest is terminated before it has reached the halfway point, the contest is declared a "no contest."
 - If the Lacrosse, Soccer or JV Football contest is terminated after it has reached the halfway point, the score at the point of termination is final.
 - For Lacrosse and Soccer contests involving teams of the same classification, all contests will be played to completion. (Note: The team that is behind may choose not to resume the contest)
 - There will be no mandatory two-hour delay.
 - The 11:30 curfew will be waived.
 - Administrators from the competing schools may agree to postpone the contest and resume competition at the point of interruption at a later time.
 - The team that is behind may choose not to resume the contest at a later date.

- (3) All scheduled GHSA varsity football games that have been either interrupted or postponed must be played to completion. Schools must decide when completion will take place in a timely manner. The team behind in the score of an interrupted game has the option not to complete the game and the score will be recorded as it was at the point of interruption.
 - (a) There will be no mandatory two-hour delay.
 - (b) The 11:30 curfew will be waived.
 - (4) Golf and Tennis procedures will be dictated by USGA and USTA rules.
 - (5) Cross Country and Track and Field will not use the two-hour delay rule.
 - (d) **Paying Officials** in shortened/postponed games:
 - (1) In the event a scheduled contest cannot be started due to weather-related conditions, officials who have arrived at the contest site will be paid one-half the contest fee in addition to the travel allowance.
 - (2) If a game is interrupted by weather or darkness before it becomes a completed game, the officials will be paid one-half the regular game fee.
 - (3) If a game is an official game at the point of interruption, the officials will be paid full fees.
 - (4) Beyond these conditions, no officials group(s) may hold the schools responsible for weather-related postponements.
- 2.94 All championship contests that end in a tie will have that tie resolved by means of the procedures that are used to resolve ties in preceding rounds of the playoffs.
- 2.95 **Absence of Officials:** In the unlikely event that game officials do not arrive for a contest, both schools should agree on one of the following procedures:
- (a) Delay the game until a new set of officials can arrive;
 - (b) Agree to play the game on another date except a Sunday;
 - (c) Use registered officials who might be in attendance at the contest;
 - (d) Use coaches or school personnel from both schools;

- 2.96 **All Star Teams:**
- (a) In accordance with state law, member schools shall not permit their teams or players to participate in "Bowl" or "All Star" games during the GHSA regular season or during GHSA playoffs. Players selected to participate in out-of-season all-star games must adhere to GHSA amateur standing rules, and to NCAA regulations regarding all-star games.
 - (b) The GHSA is not involved in either sanctioning All Star games or overseeing the selection process.
 - (c) Coaches who are going to coach their own underclass players in an all-star game must report this to the GHSA. (NOTE: All provisions of by-law 1.70 concerning recruiting and undue influence remain in effect.)
- 2.97 **Admission Fees for State Playoff Contests** are set by the GHSA and are published in the various sports sections of the by-laws or on the GHSA web site.

Each region, either through its governing board or in general session, shall have the authority to:

- 3.11 **Make rules**, which do not violate GHSA regulations, in order to successfully operate the region organization.
- 3.12 Assess mandatory membership **dues** in order to operate the region organization.
- 3.13 Set deadline **entry dates** for all region contests.
- 3.14 **Oversee** the operation of **region contests** (post regular-season) by setting:

- (a) Sites for the contests.
 - (b) Admission fees for those contests.
 - (c) Procedures for trophies and medals.
 - (d) Contest structure for determining a region winner, including a written tie-breaker procedure.
 - (e) An appeals committee to handle appeals in region playoff competitions.
- NOTE: Decisions of the Region Appeals Committee may be appealed to the Executive Director when it is believed that region by-laws have been violated.

3.15 Set and assess **fees** for region contest entrants to pay expenses for the contest, and to pay the expenses of region representatives to the State contest.

3.16 The region, not the host school, has the copyright privileges to all region tournament (post regular-season) events, and the region should set and assess any **fees** charged for broadcasting or telecasting region tournament contests or events.

3.17 **Pay its Secretary-Treasurer** a stipend.

3.20 - REGION RESPONSIBILITIES TO STATE ASSOCIATION

Each region, through its Secretary, shall:

3.21 **Certify the winners** in all region meets and/or tournaments to the GHSA Executive Director within the time limits specified in the By-Laws for each event.

3.22 Furnish a copy of complete **region results** in every region meet and/or tournament to all region schools.

3.23 Elect a **Region Sportsmanship Award winner** each school year using criteria developed by the region or criteria developed by the GHSA Sportsmanship Committee.

3.30 - REGION FINANCIAL OBLIGATIONS TO STATE ASSOCIATION

3.31 The host school of any tournament held within a region is obligated to **pay** five percent (5%) of the gross receipts **to the GHSA** Executive Director within ten (10) calendar days of the close of the tournament. NOTE: **Gross receipts** are defined as total income before any charges such as stadium fees, officials, etc., have been deducted.

3.32 Regions (or Areas) that fail to follow stated procedures or deadlines may be assessed a fine for each violation.

BY-LAW 4.00 - STATE

4.10 - GHSA ADMINISTRATIVE RESPONSIBILITIES TO MEMBER SCHOOLS

4.11 The GHSA Executive Committee shall meet bi-annually to review By-Laws, policies and procedures of the Association, and to make additions, deletions, and modifications as necessary.

(a) The GHSA Executive Committee and Board of Trustees shall, from time to time, adopt whatever rules of procedure are deemed appropriate. The Chair of the meeting shall be authorized to conduct all such meetings in an orderly fashion subject to any changes in those procedures otherwise adopted by a majority vote of members present and subject to the following:

- (1) "Pass" votes are not considered "No" votes
- (2) Any Committee member may request a roll-call vote on any question before the Committee without the requirement of a majority vote.
- (3) Members of the Executive Committee may propose new or amended rules, by-laws or actions to be taken or considered by the Executive Committee during the new business portion of Executive Committee meetings only if such proposal has first been submitted to the Executive Director for inclusion on the agenda for the meeting not later than five calendar (5) days prior to the date of the Executive Committee meeting. Provided however, that if the Executive Director certifies any proposal that has not been timely submitted to be of an emergency nature or to be necessary for the orderly transaction of the business or activities of the GHSA, then he shall have the authority to bring such proposal to the floor of the meeting for consideration of and action by the Executive Committee.

(b) The GHSA Executive Committee shall consider recommendations at its bi-annual meetings from member schools and/or region secretaries that are submitted in writing to the GHSA Office at least thirty (30) calendar days prior to the meeting.

4.12 The GHSA Office shall maintain an official record for all dues and fees received from any source, and shall provide for an annual audit of finances by a firm of auditors or a certified public accountant.

- 4.13 The GHSA Office shall provide all necessary forms on the GHSA web site, including the following forms from which copies are to be made to satisfy the needs of the member schools:
- Student eligibility forms.
 - Declarations of intent to enter GHSA activities.
 - Forms to secure sanctioning of events.
 - Contracts for events.
 - Financial statements for hosting GHSA events.
- 4.14 The GHSA Office shall provide an annual calendar that notes:
- the beginning and end of the season for all activities;
 - dates for Region, Area and/or State Playoff contests and/or tournaments

4.20 - RECLASSIFICATION

- 4.21 Every two (2) years, member schools will be assigned a "Reclassification Student Count" and placed in classifications for competition by one of the following procedures:
- The Reclassification Student Count for Public schools will be based on the FTE count for students in Grades 9-12 provided by the Georgia Department of Education for the fall semester of the second year of the current reclassification cycle.
 - A school will be considered a single-gender school if either gender composes less than 35% of the school population.
 - A single-gender school shall have its FTE numbers doubled for the purpose of reclassification.
 - The Reclassification Student Count for Private schools will be based on the actual head count of students in Grades 9-12 at member private schools as determined on October 1 of the second year of the current reclassification cycle.
 - The Reclassification Student Count will be based on **projected** enrollment numbers for all schools affected by the opening of a new school, the consolidation of existing schools or the redistribution of students within a school system that must be submitted by the system Superintendent no later than October 1 of the second year of the current reclassification cycle.
 - Projections must be filed for the next two school years and those numbers will be averaged to get the number by which the schools will be classified.
 - In the event that a school's actual enrollment in the first semester of the new reclassification cycle exceeds the projection average by 10% or more, or an existing school exceeds the projection by 5% or more AND the additional students would have resulted in the school being in a higher classification, the school shall not be eligible for post-season play in any sport for the entirety of that reclassification cycle.
 - Schools may appeal the loss of post-season competition to the Reclassification Committee and then to the full Executive Committee.
 - The Reclassification Student Count or classification placement of isolated schools will be determined by the Reclassification Committee in accordance with the "Isolation Rule."
- 4.22 The Reclassification Committee may utilize the following factors in reclassification decision:
- Consideration of travel time and costs, plus time out of school for students.
 - Consideration of differences in the size of school populations.
 - Consideration of competitive balance of the schools.
 - Consideration of equitable access to playoff slots.
 - Consideration of rivalries and gate-receipt issues.
- 4.23 The membership of the Association shall be divided into seven (7) classifications as follows:
- Schools will be placed in classifications (according to their Reclassification Student Count) as follows:
 - Class 7A: Largest 10% (approximately) of schools. **Note:** Schools may opt to play up into 7A, but no school may move down.
 - Class A Public/Private: Smallest 20% (approximately) of schools. **Note:** Non-football playing schools will NOT be counted when calculating the schools being placed in Class A. They will be placed in appropriate regions later.
 - The remaining schools (after 7A and Class A are populated) will be divided into five (5) approximately equal classifications (2A through 6A) with 19-21% in each class at the discretion of the Reclassification Committee.
 - When schools opt to move up in classification, only the exact number of schools at the bottom of the next class will be given the option to come down. If any of those schools opt not to come down, the GHSA office will not look further to larger schools in that class. **Exceptions:** No school can move down from 7A; no school may move down into Class A; and there will be no corresponding movement down should a school opt to play up more than one class above its original classification.

- (5) The Reclassification Committee will assign Class A Public schools into regions and Class A Private schools into separate regions.
- (b) **Out-Of-Zone Multiplier:** Every student attending a school from outside that school's district-assigned attendance zone shall be counted as *three (3.0) students* when it comes to calculating that school's Reclassification Student Count. And that school shall be placed in the classification where the increased count falls, except that no school shall be moved out of Class A by this rule. (Note: Schools compelled to play at a higher classification because of this stipulation may petition the Executive Director for stadium/arena seating waivers by August 31 of each year. If granted, the waiver would allow that school to use the smaller classification's seating requirements in order to comply with playoff by-laws.)
 - (1) The designated reclassification attendance zone for all GHSA public schools shall be that attendance zone assigned to the school by its respective school district.
 - (2) The designated reclassification attendance zone for all GHSA non-public and charter schools shall be the public school's attendance zone in which the non-public school or charter school resides.
 - (3) Children of certified *professionals* at the high school (grades 9-12) and military active duty dependent children will not be subject to the Out-Of-Zone Multiplier even if they live outside the school's designated attendance zone.
 - (4) All member schools must submit the number of students that will be counted as Out-Of-Zone students by October 15th of the final year of the reclassification cycle.
 - (5) Single-gender schools will have the Out-of-Zone Multiplier applied only to the actual number of students enrolled in the school and not to their doubled enrollment figure.
 - (6) If a school is found to be intentionally reporting incorrect numbers, that school will be banned from participating in the state playoffs for two (2) years and must pay a fine of \$2,500.
 - (7) A school shall be allowed to appeal its classification placement to the Reclassification Committee by filing a written appeal with the Executive Director not later than seven (7) days after notification of its classification placement, setting forth in detail why it contends the placement is unfair or unjustified, or why its assigned FTE number is inaccurate.
 - (8) The Reclassification Committee shall thereafter set a date for the hearing of such appeals. If the Reclassification Committee finds that the placement is unfair or unjustified, the school's placement may be modified by the Reclassification Committee. The decision of the Reclassification Committee may be appealed by the school to the Executive Committee. The Executive Committee will not consider objections from schools regarding contested classification placements unless those schools have filed timely appeals with the Reclassification Committee.
- (c) Each classification will have eight (8) regions unless otherwise determined by the Reclassification Committee or the Executive Committee.
- (d) The Reclassification Committee shall have the authority to assign a different Reclassification Student Count or classification placement for any school that is geographically isolated within its region in order to resolve difficulties in travel and time out of class. **Note:** Football may be exempted from the isolation policy.
 - (1) An individual school shall be considered to be isolated if the average distance from that school to all other schools in the region is 100 miles or more one way.
 - (2) The decision to place a school in a higher or lower classification will be based on a combination of factors that include travel distances and school population size.
 - (3) If two or three schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to place those schools in another classification based on travel distances and school population size.
 - (4) If four or more schools in a region are considered to be isolated (even if the average travel distance is less than 100 miles one way), the Reclassification Committee shall be authorized to form a subdivided region in which crossover games with the other subdivision will not be mandatory for region standing.

4.24 When the membership is divided into classifications as called for by the GHSA Constitution, the following process will be used:

- (a) Schools will be assigned a Reclassification Student Count by the GHSA office.
- (b) Member schools will be able to review and verify their assigned Reclassification Student Count on the GHSA web site. When there is a major discrepancy between the school's count and the count determined by the GHSA staff, the school may appeal to the Executive Director to reconsider the count. The Executive Director's decision shall be final.
- (c) When enrollment figures have been verified, schools will be placed in the proper classification and schools will have seven (7) calendar days to file a request to play at a higher classification.
 - (1) A request to move to a higher classification must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) A school that transfers to a higher classification must remain in the higher classification until schools are next reclassified on a statewide basis.

- (d) The GHSA office will initially place schools in regions and the Reclassification Committee will then meet to ratify or modify those placements. The decisions will be sent to the member schools after that meeting.
 - (1) There will be a mandatory subdivision of each region containing ten (10) or more schools by the Reclassification Committee (Exception: Cheerleading).
 - (2) The Reclassification Committee may subdivide a region consisting of less than ten schools if there is an extremely large geographic area within that region.
 - (3) For football, the Reclassification Committee will require crossover games between teams in the subregions to guarantee a minimum of 70% of the season schedule unless there are isolation issues.
 - (4) For all other sports, subdivided regions must guarantee member schools a minimum number of contests within the region equal to 50% of the season schedule unless there are isolation issues.
 - (5) Any region subdivided because of geographic considerations may vote to play a full region schedule based on a two-thirds approval of all Principals in the region.
- (e) Member schools will have seven (7) calendar days after notification of assignment to request a lateral move to another region, by filing that request with the Executive Director.
 - (1) A request to have a lateral transfer must be submitted over the signatures of the school's administrative authorities (i.e., the Principal and Superintendent).
 - (2) The request will be heard at a meeting of the Reclassification Committee and representatives from both regions shall be notified of the request, and may attend the meeting to voice their approval or state their concerns about such a move.
 - (3) A school that receives a lateral transfer must remain in that region until schools are next reclassified on a statewide basis.
 - (4) At a meeting thereafter, the Executive Committee shall hear any appeals regarding lateral transfers by the Reclassification Committee. Representatives from both regions involved in the appeal shall be notified, and may voice their approval or state their concerns about the appeal.
 - (5) Thereafter, the Executive Committee will approve, disapprove or modify the final reclassification and region alignment plan. Notwithstanding any other provision hereof, all member schools are notified that at a meeting of the State Executive Committee to finally approve reclassification, isolation status, lateral transfers, and assignment to regions, any member school may be assigned or transferred to different classifications or different regions other than those previously assigned. There shall be no further appeal of such assignment or transfer either by the member school assigned or transferred at such meeting, or by any other school which objects to such assignment or transfer. Member schools desiring to be heard on those issues are directed to be in attendance at the meeting of the State Executive Committee as all action taken in connection with reclassification and region assignment will be final and no further appeal will be allowed.
- (f) Member schools may begin scheduling contests for the new reclassification cycle as soon as the final vote has been taken, the membership notified, and any region subdivisions finalized.
- (g) When a majority vote is used in a subdivided region to determine scheduling and the process for selecting teams for post-season play, one or more schools may file a "minority report" with the Executive Director if the approved procedure is alleged to be unfair to all schools in the region. If the Executive Director believes that there is unfairness with the chosen procedure, the Reclassification Committee will meet and make a final decision on such matters. No further appeal will be allowed.

4.25 The following scheduling policy will be in effect for public schools entering the GHSA at the beginning of the second year of the reclassification cycle:

- (a) In sports where the region has two-year scheduling, the new school will not be able to play a complete region schedule at the varsity level. In those sports, the school could play a varsity non-region schedule or a JV schedule.
- (b) In sports having year-to-year scheduling, the new school will have full membership once it has been assigned to the new region by the Reclassification Committee.
- (c) In sports that have a region tournament to advance to post-season play, the region may allow a new school to accept a low seed in the tournament even though it did not play a complete region schedule. That is a decision made by the region.

4.26 Charter schools that apply for membership after the reclassification process has been completed will be accepted as schools playing sub-varsity schedules and/or non-region varsity schedules for the next reclassification cycle.

The Georgia High School Association shall, no later than October 1, 2003, and every year thereafter, submit a report to the General Assembly regarding its compliance with paragraph (1) of this subsection. Such report shall address the number, type, and disposition of written requests for the association to organize and administer regional or state events for additional or different sports; written requests for information regarding the types of athletic events for public high school students that the association organizes and administers; and written inquiries and complaints received by the association with respect to gender discrimination in connection with public high school events. The report shall address all such written requests, inquiries, and complaints, regardless of whether such request, inquiry, or complaint is made by letter, e-mail, memorandum, or any other form of written communication. Each report shall cover the time period beginning on July 1 of the previous year and ending on June 30 of the year in which the report is due. In addition, the association shall have in effect a policy requiring notification to persons who make such requests, inquiries, or complaints verbally that such request, inquiry, or complaint will not be included in the association's reporting to the General Assembly regarding compliance with this Code section unless such request, inquiry, or complaint is made in writing.

However, where a meeting or record of such association is devoted in part to matters excepted in the preceding proviso, any portion of the meeting or record not subject to such exception shall be open to the public.
- 4.63 **Steroids/Performance Enhancing Drugs:** The Georgia High School Association strongly opposes the use of anabolic steroids and other performance enhancing substances by high school student-athletes. The GHSA believes that such usage violates legal, ethical and competitive-equity standards and imposes unreasonable long-term health risks on the user. The GHSA encourages member schools to educate students and coaches about the perils of steroid usage, and the GHSA will distribute educational materials about this issue to member schools.
- 4.64 **Penalties for Violations:** In accordance with the GHSA Constitution, the Executive Director is empowered to make a determination as to whether a violation of GHSA rules has occurred, and to assess the appropriate penalty which may include a fine and/or probation. A non-exhaustive list of violations and fines is published in **Appendix P** of the Constitution & By-Laws.

ATHLETICS

(NOTE: State Playoff Brackets for ALL sports can be found in Appendix B at the end of this publication)

SECTION 1 BASEBALL

GENERAL INFORMATION:

- A. Baseball is a state championship event in each classification, and schools are aligned on a regional basis.
- B. All games will be played by the rules published by the National Federation of State High School Associations (NFHS).
- C. The maximum number of **games** allowed (not including state playoffs) is thirty (30). This limit of 30 games includes any region tournament games. Beginning and ending dates for practice and competition can be found at the front of this publication.
- D. A school shall not allow its baseball team to engage in an interscholastic practice and/or scrimmage game, except for one (1) interscholastic scrimmage consisting of a 7-inning game using a “free substitution” format and umpires registered with the GHSA.
- E. All varsity baseball games shall be played with officially-dressed officials who are registered under the GHSA plan for the registration of officials.
 - 1. The assignment of officials for regular-season games, invitational tournaments, and any sub-region or region playoffs allowed in the 30-game limit will be made by the GHSA office.
 - (a) The GHSA will assign one or more associations to each school for their games.
 - (b) The school and the local association(s) will sign a contract for the games that are assigned.
 - 2. In accordance with By-Law 2.71-c, the host school has the responsibility of providing security escorts for umpires at all regular-season and post-season games.
- F. The following items allowed in the NFHS rule book as “State Adoptions” have been adopted by the GHSA:
 - 1. A game will end anytime that a team is 10 or more runs behind and has completed five or more turns at bat. A game will end anytime that a team is 15 or more runs behind and has completed three or more turns at bat.
 - 2. The suspended game rule will be used:
 - (a) When a game is stopped before it becomes a legal game (4.5 or 5 innings), it is considered “no contest” and any replay will begin from the first inning.
 - (b) When a game is stopped after it becomes a legal game and a winner can be determined, it is a completed game.
 - (c) When a game is stopped after it becomes a legal game and a winner can not be determined, any replay will begin from the point of interruption.
 - (d) In any terminated game, accumulated pitches will count.
 - 3. The use of the “courtesy runner” is the only “speed-up rule” that has been adopted. Being a courtesy runner does not count as a game played.
 - 4. Sub-varsity teams have the option of using free substitution and a batting order of ten (10) players if agreed upon by both coaches before the game. Lineup cards must be presented to the umpire at the plate meeting and the batting order shall remain the same throughout the game.
- G. The following interpretations have been approved by the GHSA.
 - 1. Termination of the game due to weather, unplayable conditions, or mechanical malfunctions:
 - (a) The umpires may halt play for up to two hours when conditions do not allow play to continue.
 - (1) The two-hour interruption(s) is cumulative
 - (2) The game must be terminated when the two-hour time has elapsed. If the first game of a doubleheader is terminated, the second game will be postponed.
 - (3) The two-hour period does not include time needed to prepare the field for the resumption of play.
 - (b) Umpires must wait for at least thirty (30) minutes before terminating a game for unplayable field conditions.
 - 2. **Pitching restrictions:**
 - (a) **Maximum Pitches in One Day:** Varsity 110; sub-varsity 90.
 - (b) **Required Rest Periods:**

<u>Varsity</u>		<u>Sub-Varsity</u>	
1-40 Pitches	0 Days	1-30 Pitches	0 Days
41-60 Pitches	1 Day	31-44 Pitches	1 Day
61-85 Pitches	2 Days	45-64 Pitches	2 Days
86-110 Pitches	3 Days	65-90 Pitches	3 Days

Note: A pitcher shall not throw more than 110 pitches (90 for sub-varsity) cumulative over a two-day period and cannot pitch more than two consecutive days. The rest period is based on the total pitches thrown during a given two-day period. Pitches thrown during a game that was suspended or rained out shall be counted towards any pitching restriction thresholds.

- (c) A pitcher at any level (varsity or sub-varsity) shall be allowed to finish the batter when the maximum (110 varsity/90 sub-varsity) pitch count limit is reached during an at-bat, but must be replaced immediately when that at-bat ends.
 - (d) A "Day of Rest" is defined as a calendar day. Example: a varsity level pitcher who reaches the 110-pitch limit on a Tuesday would not be allowed to pitch again until Saturday.
 - (e) Tabulation of Pitch Counts - It will be the responsibility of each team to track their own pitch counts throughout the game. And at the conclusion of the game, the head coaches shall meet to approve and agree upon the respective pitch counts for each team. It will then be the responsibility of the home team head coach to enter the agreed-upon numbers into the "PitchKount" electronic tabulation program.
 - (f) In games versus non-GHSA member schools, the GHSA pitching restrictions shall be adhered to, regardless of the pitch count policy of the host school affiliation or state association. When playing out of state, it is the GHSA member school's responsibility to report the pitch count information in PitchKount.
 - (g) State Tournament - The format for all rounds will be a "best-of-three" series with the first two games being played on the first day. During the State Tournament, no pitcher shall be allowed to throw more than 120 pitches over a three-game series.
 - (h) If a school is found to have violated any of the provisions of this policy, the offending school shall be fined \$250.00 and the head coach at that level assessed a two-game suspension, and the game forfeited. Any subsequent violation during the same season will result in penalties being doubled and the head coach being required to meet with the Executive Director prior to being reinstated to coach.
- H. Contracts are required for all regular-season and playoff contests. Contracted games can not be canceled for any reason other than weather/playing conditions without the approval of the GHSA office. **Note:** When rescheduling, region games take priority.
- I. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*

STATE PLAYOFFS:

 3. Least number of runs allowed in overall region play
 4. Mini-game of five (5) innings
 5. In any step of the tie-breaking process if a tie involving more than two teams is broken so that all ties are broken, that step determines the placements. - C. All rounds of the state playoff involve a best two-of-three series.
 1. The higher seeded team, or the team designated as the host team by the Universal Coin Flip (if the teams are equal seeds), will host all three games.
 2. A doubleheader is required on the first day of each round of the playoff series.
 3. The host team will be the home team in the first game, and the visiting team will be the home team in the second game. The higher-seeded team will be the home team for a third game, or a coin flip will determine home team if both teams are equal seeds.
 4. The responsibilities of the host team are to:
 - (a) furnish game balls beyond those furnished by the GHSA
 - (b) notify the GHSA office as to the arrangements for the series
 5. In the event that two schools involved can not agree on the arrangements for the series (dates, times, etc.), the GHSA Executive Director will make a ruling to cover the situation.
 6. In the event that a State Playoff game is suspended prior to becoming a legal game, it shall resume from the point of interruption on the next available date. If that date can not be agreed upon by the competing schools, the GHSA Executive Director shall determine the playing date.

- D. The play windows for the State Tournament are listed in the Beginning and Ending Dates published at the beginning of the Constitution. In all cases, the first date of the play window will be a doubleheader, followed by the "if" game on the second date.

 - (b) The umpires will be paid out of gross receipts.
NOTE: If the gross receipts are not sufficient to pay the umpires, the host school will pay that cost.
 - (c) The remaining balance is to be divided with 50% of the proceeds going to the visiting team and 50% to the host team.
 - (1) The visiting team shall be paid \$.80 per mile (one way) for travel.
 - (2) The host team is responsible for paying local service charges, stadium charges, operating expenses, personnel costs, etc., out of their 50% share.
 - (3) Admission fee for **State Championship Series** at a neutral site will be posted on the GHSA web site.
 4. At neutral-site games, each participating team is allowed free admission for a maximum of 25 players and team essential personnel. Coaches will be admitted with a GHSA coaching pass.

SECTION 7 FOOTBALL

REGULAR SEASON:

- A. Football is a state championship sport in each classification, and schools are aligned on a regional basis.
1. In the reclassification year (see Article III of the GHSA Constitution), all regions will meet after reclassification has been finalized by the Executive Committee and after any sub-divisions have been finalized and cross-over games have been arranged.
 - (a) No schedule is valid until the plans of all regions have been approved.
 - (b) Plans for determining the ranking and breaking ties of the four region representatives for playoffs must be drawn *by the regions before the football season begins*.
 - (c) All contracts should be drawn to coincide with the two-year reclassification period and show the day, date, time, opponent and game site.
 2. Each school must file its football schedule with the GHSA Executive Director no later than **March 1**, each year.
 - (a) The schedule must show the day, date, time, opponent, and game site.
 - (b) The GHSA Executive Director must be notified concerning any changes made to the schedule after the submission date.
 - (c) Any changes made for a region game must be made prior to the date for beginning football practice.
 - (1) Any change of opponent after that date will cause the game not to count as a sub-region or region game.
 - (2) Limitations regarding schedule changes shall also be construed to prevent a school from canceling a game when such a game could affect the region and/or sub-region standings.
 - (3) A change in date or time with the same opponent is not considered a change affecting region or sub-region status.
 - (d) Contracts with officials for varsity games must be signed by June 1 each year, and copies of the schedules must be submitted to the proper officials association(s).
 - (e) Each school must have a signed contract for its football scrimmage, and a school may be fined for failure to comply with that contract.
 - (f) There may be a \$250 penalty for schools that change their football schedules after June 1. (NOTE: Appeal procedures are available.)
- B. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*
- C. All GHSA football games must be played according to the rules as published by the National Federation of State High School Associations, and any other rules found in this section.

- D. The number of football games allowed (excluding state playoffs) is ten (10).
1. No varsity football game may be played on a night preceding a school day without specific authorization from the GHSA Executive Director.
 2. Only one football game may be played per week (the schedule week is a traditional week - Sunday through Saturday) by the same level team (varsity/sub-varsity) except in the case of make-up games due to special circumstances that have been approved by the Executive Director.
 3. A single sub-varsity game played on a night before a school day may start no later than 6:30 p.m. The first game of two sub-varsity games played on a night before a school day may start no later than 5:30 p.m.
 4. Football players playing on both the varsity and one sub-varsity team are limited to six quarters of competition in any seven (7) calendar day period beginning with the date of the varsity game. The penalty for violation of this rule will be forfeiture of the game in which the violation occurred and a \$1,000.00 fine.
 5. The football season ends for a team or individual when that team, having completed its regular-season schedule, is eliminated from playoff competition or wins the State Championship.
 6. All JV games will be played with 10-minute quarters. If there is an 8th grade student(s) on the JV team, then 8-minute quarters must be played.
 7. Schools may play 10 Mini Games at the JV level, instead of seven (7) regular games, the combination of which can not exceed the current 28 quarters allowed for sub-varsity play. Each Mini Game will be one-half of a regular game. Four (4) schools would meet at one site, with two schools playing a half and then the other two schools playing a half. Officials would be paid the regular fee for a single game.
- E. Football **practice** may begin five consecutive weekdays prior to August 2nd.
1. In the first five days of practice for any student, the practice may not last longer than two (2) hours, and the student may wear no other protective football equipment except helmet and mouthpieces. NOTE:

 - (b) During acclimatization practices, teams may hold a walk-through as long as there is at least a two-hour break between the two activities.
 2. Beginning August 2nd, any student may practice in full pads and may practice a maximum of two (2) times in a single calendar day under the following stipulations:
 - (a) A student must have participated in five conditioning practices wearing no other protective football equipment except helmet and mouthpieces before being allowed to practice in full pads.
 - (b) In a single calendar day:
 - (1) No single session may last longer than three (3) hours.
 - (2) If two (2) practices are held, the TOTAL time shall not exceed five (5) hours.
 - (3) There must be at least a three-hour time of rest between sessions if two (2) sessions are held.
 - (4) There may not be consecutive days of two-a-day practice sessions. All double-session days must be followed by a single-session day or a day off.
 - (5) A walk-through may not be held on days when two practices are conducted.
 - (c) These procedures are derived from recommendations created by the Inter-Association Task Force for Preseason Secondary School Athletics Participants in the paper "Preseason Heat-Acclimatization Guidelines for Secondary School Athletes."
 3. **Full contact** should be limited during practices as well as during activity outside of the traditional fall practice. (**Note:** No limitation is placed on activities defined below as "AIR, BAGS or CONTROL" contact.

Contact remains above the waist and players stay on their feet; **THUD** - Players run a drill at competitive speed through the moment of contact with no pre-determined "winner." Contact remains above the waist, players stay on their feet and a quick whistle ends the drill; **LIVE ACTION** - Players run a drill in game-like conditions and is the only time that players are taken to the ground; **FULL CONTACT** - Contact which meets the definition of Live Action or Thud.
 - (b) **Pre-Season & Spring Practice & Summer Contact Camps:**
 - 1) Full contact shall be allowed in no more than 2 consecutive practice days per week;
 - 2) Full contact during practice shall be limited to not more than 45 minutes per day;
 - 3) Full contact during practice shall be limited to not more than 135 minutes per week; and
 - 4) During any twice-daily practice, only one session per day shall include full contact.
 - 5) In Summer Contact Camps, the only form of Full Contact allowed is **Thud**.
 - 6) Schools will be limited to attending no more than two (2) padded Team Contact Camps per summer: one in June for two days during a three consecutive day period, and one in July for two days during a three consecutive day period (no more than four (4) days total). There must be at least four (4) participating schools or the camp cannot be held.

- (c) **Regular & Post Season Practice:**
- 1) Full contact during practice shall be allowed in no more than three (3) practice days per week;
 - 2) Full contact during practice shall not be allowed on more than two (2) consecutive days;
 - 3) Full contact during practice shall be limited to not more than 30 minutes per day;
 - 4) Full contact during practice shall be limited to not more than 90 minutes per week.
- (d) **Written Practice Plans:** A written practice plan in compliance with this by-law shall be prepared in advance by the head coach prior to every practice and maintained by the school for a period of at least twelve (12) months. Such practice plans shall be made available to the GHSA upon request.
- (e) **Violations:** The penalty to be imposed upon any member school found to have violated this by-law in any substantial manner shall be as follows:

 - 2) **Second Offense:** The school shall be placed on probation and shall not be eligible to participate in post season play.
4. From the end of school in the spring until the first day of preseason practice, players may wear no other protective football equipment except helmets and mouthpieces for all voluntary workouts and passing league games. Institutional heat policies are also in effect for voluntary workouts supervised by school personnel.
 5. All applications for team summer camps at GHSA schools or other facilities must be submitted to the GHSA office by May 1, and all subsequent correspondence to complete the application must be completed by May 15. Coaches for these players **must** verify that the participants have had acclimatization practices for five days immediately preceding the camp.
 6. Equipment allowed during the summer when there is competition between schools is limited to helmets and mouthpieces, shoulder pads, thigh pads and girdle pads (no football pants or knee pads).
- F. All varsity football games shall be played with a minimum of five (5) officially-dressed field officials who are registered under the GHSA plan for registering officials. The officiating crew also shall have an electric clock operator whose only duty is to operate the game clock.
1. In all games, the host school must provide some type of dressing facilities for officials at or near the game site that can also be used to hold the pre-game conference.
 2. During the regular season, the host school is responsible for providing a crew to work the sideline chains. These individuals must be responsible adults.
 3. In accordance with By-Law 2.71-c, the host school is responsible for providing security escorts for the officials at all regular season and playoff games.
- G. The following regulations are in place for GHSA football games.
1. All GHSA football games will have a twenty (20) minute halftime **unless** both school administrators agree in writing by Thursday of game week to shorten the halftime period to fifteen (15) minutes, or unless NFHS weather-condition rules supersede.
 2. Artificial noisemakers, except airhorns and whistles, are legal at football games. Illegal noisemakers are to be confiscated when visible and/or used.
 3. Bands are not to play during live-ball situations.
NOTE: This includes the situation in which there is no timeout and the teams are in a huddle.
 - (a) If, during a football game, a team claims interference with communications due to band noise, the Referee shall give a warning to one or both head coaches and the bands must cease playing.
 - (b) If there is a second offense by the same school's band, an unsportsmanlike conduct penalty will be imposed against that school's team.
 4. During the state playoff series, a crew of seven (7) field officials will be used.
 5. Fans shall not be allowed to enter the playing field either before the game or at halftime to form a tunnel for players to run through.
 6. In the regular season, a school may utilize a visible 25/40-second clock as long as the time is visible on both ends of the field and the clock is operated by a paid game official.
- H. **Spring Football Practice** for each school year may be held from February 1 until the end of the school year, consisting of 10 practices spaced over 13 consecutive school days. (**Note:** Spring and fall scrimmage games and jamborees are considered to be extensions of practice as far as eligibility rules are concerned.)
1. Schools must choose by February 1 each year as to whether they will have spring football practice.
 - (a) If a school conducts spring practice, all preseason practice schedules remain the same (See item D. 3(b) for a listing of contact limitations).
 - (b) If a school chooses not to conduct spring practice, the team will be allowed to hold an additional (second) scrimmage game or controlled scrimmage against another school, or a jamboree with three teams playing a half against the other two teams, in the fall.

- (c) Schools hiring a new coach may appeal to the Executive Director to change an earlier decision.
 - 2. Schools that have scrimmage game/games canceled or suspended by inclement weather will have the following options:
 - (a) Play on another night during the same calendar week (defined as Sunday to Saturday.) Sunday play is not allowed.
 - (b) Play during another week when the school does not have another scrimmage or regular season game scheduled. (**Note:** No scrimmage game may be played after a school's first varsity contest.)
 - 3. Schools which participate in Spring Practice are allowed to play a spring game/scrimmage with another school, or a jamboree with three teams playing a half against the other two teams, in place of their last (10th) practice of the spring (**Note:** Restrictions under by-law 2.62 (f-2) & (f-3) will apply).
 - 4. A football coach on the payroll of one school district, but under contract to another school district for the following year, may help with spring football at the new school, if the arrangement is satisfactory with both systems.
 - 5. Students enrolled in grade 8 in a middle school or junior high school that is a feeder school to the high school may participate in Spring Practice at that high school.
 - 6. No student (eighth grade or above) may participate in more than ten (10) days of Spring Practice, and may participate for no more than one (1) school.
- I. In case of a game being terminated in the first half (suspended game), By-Law 2.93-c must be followed.
 NOTE: All varsity football games must be played to completion. Any interrupted game must be replayed from the point of interruption. The school that is behind in the score may choose not to continue the game and the score will be recorded as it was at the point of interruption. NOTE: Teams will not be allowed to play two football games in the same week, except when making up a suspended game with the permission of the Executive Director.
- J. During warmups before the game and at halftime there shall be a division of the field, and neither team shall enter the other team's portion of the field. That division shall be as follows:
 - 1. Before the game: each team shall occupy the space from their own 45-yard line to the endline of their goal line. Neither team shall occupy the area between the 45-yard lines.
 EXCEPTION: When kicking, each team shall have the area between the opponent's 45-yard line and kicking team's end zone in the side zone area on the same side of the field as their bench. Kickers shall kick toward their end zone.
 - 2. Re-entering the field before the game and at halftime: each team shall have the portion of the field between their bench and the near edge of each goal post - i.e., field divided lengthwise.
- K. The GHSA Overtime Procedure will be used whenever **two schools are tied** at the end of regulation play.
 - 1. This procedure involves giving both teams opportunities to score from the 15-yard line until the tie is broken.
 - 2. Overtime games are exempt from the 11:30 p.m. GHSA curfew.
- L. When there is a **competitive imbalance between teams**, the coach of a team trailing by 30 points or more at halftime may choose to play the second half with a running clock. Quarters will remain at 12 minutes.
 - 1. If the coach does not exercise the option of the running clock, the third quarter will be played with regulation timing.
 - 2. If the point differential reaches, or remains, 30 or more points during the third quarter, the clock will still run according to rule for the remainder of the third quarter, but the fourth quarter will have a running clock mandated.
 - 3. A running clock means the clock will be stopped only:
 - (a) after a touchdown and until the ball is kicked off.
 - (b) during deliberations for penalty administration.
 - (c) during charged timeouts or official's timeouts
 - 4. A game that is reduced in time by use of a running clock shall constitute a "completed" game to meet other by-law considerations.

GHSA OVERTIME PROCEDURE

- 1. There will be a 3-minute intermission between the end of regulation play and the coin toss to start the overtime procedure.
- 2. The captains will meet for the coin toss, and the winner may choose one of the following:
 - (a) Be on offense first
 - (b) Be on defense first
 - (c) Choose the end of the field on which to play
- 3. The ball is placed on the 15-yard line and the offense keeps the ball until:
 - (a) The ball is turned over on downs (NOTE: The team on offense can gain a first down.)
 - (b) The defense gains possession of the ball (ball is dead immediately)
 - (c) The offense scores a touchdown or field goal

- (d) The offense misses a field goal
4. After the first offensive team completes its possession, the opposing team gets its opportunity from the 15-yard line.
 5. If the game remains tied after each team has had an offensive possession, there will be a 2-minute intermission and the team that lost the first coin toss has the first option for the second possession.
 6. For each additional overtime period (i.e., an offensive possession by each team) the original coin toss options are alternated.
 7. Beginning with the third overtime period, a team must attempt a 2-point try after a touchdown.
 8. Each team is allowed one timeout per overtime period. No timeouts may be carried over from regulation play.
 9. Penalty enforcement is handled the same way in overtime as in regulation play.

REGION PROCEDURES:

- A. To qualify for championship consideration in a region or sub-region, a school must play a minimum number of games with schools in its region as determined by the region and the GHSA Reclassification Committee.
 1. In any region or sub-region in which there are six (6) or less schools, if each school plays two (2) games, both games will count as region games. In any other case where two (2) schools have played more than once during the regular season, only the first game scheduled shall count in the region standings.
 2. Any school playing a non-region or non sub-region schedule (i.e., not in consideration for a region championship) will not have its games count for or against any opponent.

- B. The GHSA Executive Director, upon presentation of evidence to show that a school can not secure the required number of games in a region or sub-region, may authorize each school to substitute any number of games in any classification or region to qualify for championship consideration. NOTE: A request for substitution of game(s) must be submitted prior to September 1.

- C. Four (4) representatives from each region will enter the post-season playoffs.
 1. Each region will determine the way to designate the four representatives and their placement in the region (i.e., first place, second place, third place and fourth place).
 2. In case there is a **tie between teams** and the region does not have a different written tie-breaker plan, the following procedures will be used (**NOTE: The use of mini-games to break ties is no longer allowed**):
 - (a) *If two teams tie, and one of the teams has defeated the other in a regular schedule region game, the winner shall have the higher placement. Three or more tied teams shall first be considered in sets of two-way ties. NOTE: If three or more teams are tied, use head-to-head record among the tied teams to break ties for seeding. Only utilize points to break ties among teams when the ties are a perfect triangle, with each team having the same record among the tied teams.*
 - (b) *If two teams tie and the tied teams split or have not played each other in a region game (no round robin), the team with the greater sum of winning margin using the following Point System, shall have the higher placement.*
 - (c) *If more than two teams remain tied after applying "a" above, the following Point System shall be used to eliminate all but two teams. Tabulate the sum of the winning margins of each team's region games as indicated in the following:*
POINT SYSTEM:
 - (1) *If the margin of victory is more than 13 points, only 13 points shall count.*
 - (2) *Losses shall be tallied as 0 (zero) points.*
 - (3) *Forfeited games: Offended teams shall receive 13 points when tabulating the sum of the winning margins for breaking region ties.*
 - (d) *After tabulating the sum of the winning margins, all teams except the two (2) with the greater sums shall be eliminated, and the selection process shall begin again with paragraph "a" above.*
 - (e) *If teams remain tied after the above procedures are applied, the playoff representatives shall be determined by a coin toss. The coin toss, supervised by the REGION OFFICERS, shall be used to eliminate all but two (2) teams, and then the process shall begin again with paragraph "a" above.*
 - (f) *In the event the region is eligible for more than one playoff representative, each subsequent playoff representative shall be chosen by reapplying the procedure above.*
 - (g) *All regions will use the adopted procedures for breaking ties that occur in the order of standings when round robin schedules are completed.*

STATE PLAYOFFS:

- A. All rounds of games after the end of the regular season are considered part of the state playoff structure.
 1. In **ALL Rounds** except the Finals, the higher-seeded team will host. In the **Quarterfinal Round**, if both teams have the same seeding, a "universal" GHSA coin flip (see By-Law 4.39), will determine the host site.

2. In **ALL Rounds** except the Finals, game date and time will be set by mutual agreement. If that agreement is not possible, the GHSA Executive Director will finalize the arrangements. If an administrator does not attend the meeting at which the playoff contract is negotiated, the coach shall be authorized by the Principal to negotiate and sign a binding contract.
3. In **ALL Rounds** except the Finals, one half of all permanent and temporary seats shall be offered to the visiting team, and it is the responsibility of the home team to regulate the seating so as to guarantee designated seating to the visiting team's supporters.
4. In **ALL Rounds** except the Finals, there should be adequate parking space with a recommendation of one (1) space for every four (4) spectators.
5. In **ALL Rounds** except the Finals, security shall be provided at the site in the ratio of at least one officer per 500 spectators.
6. In **ALL Rounds** except the Finals, facilities for officials to dress, shower, and/or hold meetings shall be made available at the site or nearby.
7. It is **mandatory** to have emergency medical personnel at the site of **all football playoff games**.
8. **Playoff ticket prices** are as follows (NOTE: Only babies in arms do not need a ticket.):
 - First Round: \$8.00 (All classes)
 - Second Round: \$10.00 (All classes)
 - Quarterfinals: \$12.00 (All classes)
 - Semifinals: \$15.00 (All classes)
 - Championships: TBA
 - (a) **Through the semifinal round**, high school level students of the participating schools may purchase presale tickets at a discount of \$2 off regular price. Students may purchase one (1) ticket each from their schools at this discounted price.
 - (b) Certified staff members who work at the participating schools **ONLY** will be allowed free admission through the semifinal round with proper identification.

B. In order to host a **Semifinal Round** playoff game, a school must meet the following site requirements:

1. Permanent seating requirements:
 - (a) One seat equals 24 inches in width. Exception: each theatre style seat (with back and arm rests) will count as one seat regardless of the width of the seat.
 - (b) All seats must be at least 15 feet from playing field.
 - (c) Total seating capacity for each class is as follows:
 - Class A.....2,000 seats
 - Class 2A.....2,500 seats
 - Class 3A.....3,000 seats
 - Class 4A & 5A.....4,000 seats
 - Class 6A & 7A.....6,000 seats
 - (d) Each principal of a school in the playoffs shall certify that the school stadium meets or does not meet football playoff requirements. If a principal certifies such information falsely, then \$2,000.00 of such school's share of the gate receipts of the contest held in the non-complying stadium shall be paid to the opposing team.
 - (e) The GHSA will mediate with both teams involved when there are concerns about the safety of a venue in regard to seating limitations.
 - (f) The **higher-seeded** team in the **Semifinal Round** will be the **host team**. If they do not have a stadium that meets GHSA minimum standards, they may secure a suitable site.

AREA COMPETITION:

- A. Each Area shall have a written tie-breaker procedure in order to seed teams for the playoffs.
- B. An Area may choose to use the GHSA tie-breaker procedure:
1. Winning percentage against all teams in the Area.

 3. Goals allowed in head-to-head competition between teams that are tied.
 4. Goal differential in head-to-head competition between teams that are tied (maximum of 10 goals per game).
 5. Goals allowed in all Area games.
 6. Goal differential in all Area games (maximum of 10 goals per game).
 7. At any point in the process where ties can be broken so that only two teams remain tied, consideration of head-to-head competition will be invoked. If the tie is completely broken for all teams involved at any step in the process, the tie-breaker process is completed.
- C. If the Area is subdivided, then the same tie-breaker procedure should be used for both subdivisions.

POST-SEASON COMPETITION:

- A. If championship games end with a tie score, the rulebook procedure for breaking that tie is followed (see Lacrosse Section I).
- B. Admission fee is \$7.00 for a single playoff game and \$10.00 for a doubleheader. Admission for championship finals played at a neutral site is TBD.
- C. Finances:
1. The GHSA will receive 12% of the gross gate receipts.
 2. Officials will be paid by the host schools out of the gate receipts.
 3. The visiting team's mileage will be paid at .80 per mile one way.
 4. Any remaining receipts will be shared by the participating teams.
 5. Host school(s) will be responsible for security, facility fees, maintenance costs, etc., and these expenses will not be taken out of gate receipts.
 6. At neutral-site games, each participating team is allowed **free admission** for a maximum of 25 players and team essential personnel. Coaches will be admitted with a GHSA coaching pass.

 3. a dressing room or locker room for the visiting team.

SECTION 11 RIFLERY

GENERAL INFORMATION:

- A. Air riflery is a state championship co-ed event open to GHSA schools of all classifications.
1. Each school desiring to participate in riflery must file its intent by March 1, of the preceding school year by filing the form found on the GHSA web site (www.ghsa.net).
 2. Following notification of entry, each school will be assigned to an Area for competition that will be overseen by an Area chairperson. Teams will be notified of Area assignments when the total number of teams entering is determined.
 3. Contestants in riflery must be certified as being eligible through the GHSA Office. All rifle team athletes must have a sports physical on file at the school.
 4. Beginning and ending dates for practice and competition can be found at the front of this publication.
 5. JROTC programs may use school rifle team members in JROTC program competitive events. The athletes must be currently enrolled in JROTC and be entered as a JROTC unit and not as a school team. They may not enter competitions or tournaments unless there is a JROTC competition category.
- B. Competitions will be Open Class, which permits use of Precision or Sporter Class equipment using Precision air rifle rules. The latest edition of the "NATIONAL STANDARD THREE-POSITION AIR RIFLE RULES" (published by the National Three-Position Air Rifle Council, Camp Perry, P. O. Box 576, Port Clinton, OH 43452 - also available on website: <http://thecmp.org/youth/air/national-standard-three-position-air-rifle-rules/>) will govern all GHSA matches except the following:
1. The course of fire will be the team event 4x3x10. All matches will be shoulder to shoulder. Postal matches will not be accepted. Team members will be distributed equally between relays if more than one relay is used.
 2. Except at the State Championship, Sectional, Semifinal and tie-breaker competitions, the coach may assist team members (without disturbing other athletes), during preparation, changeover and sighting periods, but may not physically assist the athletes in loading, cocking or adjusting the sights. After each of these periods, the coach must be behind the firing point.
 3. The "two scorers" referred to in National Standard Rule 8.3 will consist of a scorer from each team if outside scorers with no interest in the outcome are not used.
 4. The amount of protest period time (Rule 8.2) should be established by each Rifle Area prior to start of season or agreed upon by both coaches prior to the beginning of the match.
 5. The following safety regulations are mandatory for ALL competitions, training and practices: An adult, approved by the school, must be present at all times that students have access to rifles. Clear Barrel Indicators (CBIs) will be in all rifles when not firing. They will be inserted in the rifle when taken out of storage or cases. The CBI must visibly extend beyond both ends of the barrel when installed. The CBIs may be removed only during preparation and sighting, record firing, changeover (after athlete is in a firing position), and sighting times. They will be reinserted after each position stage and the rifle must be grounded. CBIs must be inserted anytime someone goes forward of the firing line or removes their rifle from the firing line. CBIs may be removed after the Range Officer gives the "You may discharge air downrange" command, then must be inserted after discharging air and left inserted until air rifles are placed in gun cases.
 6. *Approved scoring methods are manual and electronic as listed in the National Three Position Air Rifle Rules.* The host school determines which to use.
- C. Each Area shall draw up schedules for each team in the Area.
1. Each Area schedule must be filed with the GHSA Office.
 2. The home or host schools should fax or e-mail team and individual scores to the area chairperson by the beginning of the next day after completion of the match.
 3. Four competitors' scores comprise a team's score. Five may be used in post-season GHSA competition with the top four (4) scores counting as the team score. Areas may organize regular-season competitions as they elect in regard to the number of team members involved as long as only the top four (4) scores count as the school's team score. If a team has less than four competitors, it must forfeit the match (receiving a loss and the other team receiving a win). If both schools agree to compete with the forfeiture in place, the teams' scores do not count, but the individual scores from both teams will count as GHSA official individual scores.

4. Standings will be determined by won-loss results. A team may compete against only one other team in a given regular season match. Ties will be broken using National Standard Rule 8.6. If tie breaking rules are exhausted and the match is still tied, the match will be scored as a tie and each team credited with one-half win and one-half loss. In cases of identical won-loss records, the results of their season competition against each other will determine standings. If still tied then a shoot-off match will be held.
5. Before the start of the regular season, each Area will establish structure for determining Area winners and Sectional seedings. The Area will also appoint an appeals committee to handle protests and appeals in area competitions. NOTE: Decisions by the Area Appeals Committee may be appealed to the Executive Director when it is believed that Area procedures have been violated.
6. Area competition must be completed by March 12, 2022. Final Area standings must be reported to both the State Coordinator and the GHSA office no later than March 14, 2022.

RESULTS REPORTING:

- A. Area chairpersons should report weekly results in regular season and Sectionals by Monday of the following week.
- B. Results of Semifinals and tie-breakers (if required to determine the two invitational Championship teams) must be reported by the day following the competition.

SECTIONAL COMPETITION:

- A. The first six teams in each Area will advance to the Sectionals to be fired on March 26, 2022, or earlier if agreed upon by both Area chairpersons involved. The Area chairperson of the top three seeded teams in his/her area will coordinate the matches and report the results to both the State Coordinator and to the GHSA office not later than March 28, 2022. Sectional and Semifinal brackets can be found in Appendix B.

SEMIFINAL COMPETITION:

- A. The thirty (30) teams winning the Sectional competition will advance to the State Semifinal competitions to be fired on April 9, 2022 or earlier if agreed upon by both Area chairpersons involved. The Area chairpersons will coordinate the matches. All chairpersons will report the results and all individual qualifiers to both the State Director and Coordinator and to the GHSA office not later than April 11, 2022. **TEAMS AND ALL QUALIFYING INDIVIDUALS MUST BE REPORTED FOR THEM TO COMPETE IN THE STATE CHAMPIONSHIP.** Qualifying individuals' scores submitted by the Area Chairperson on regular- and post-season results fulfill this requirement.

STATE COMPETITION:

- A. The fifteen (15) teams winning the Semifinal competitions and the two (2) teams with the highest losing scores in the Semifinals qualify to compete at the State Championship. Any ties to determine the two additional teams to advance to the championship (identical high losing scores) will be broken with another match to be fired on April 13, 2022 or earlier if agreed upon by Area chairpersons involved. The higher-seeded team will host. If teams have the same seeding, a coin toss will determine the host site. Area chairpersons must report results of these tie-breaking matches to both the State Director and Coordinator and to the GHSA office not later than April 14, 2022.
- B. Competing team members at the Championship also compete for the individual competition. All other GHSA competitors firing 292 or better in a regular season GHSA Area match or in the Sectionals, Semifinals or tie-breaker also qualify for the state individual competition if their team does not qualify. Schools with more than five competitors with the 292 or better qualification may use five of these competitors as a team plus their additional qualifiers may compete for the individual championship. Finals procedures will be used in determining the state individual standings, but will have no effect on team standings.
- C. The State Rifley Championship will be held on April 23, 2022, at Fort Benning. The GHSA State Coordinator for Rifley is **Lisa Kelley** - 404-307-8041; email: lkelly1@yahoo.com.

- E. Teams arriving late for a contest by thirty (30) minutes or more shall forfeit the match, and shall pay the officials unless prior arrangements are made in a timely manner, and both teams agree to start the game late or reschedule it. Consideration will also be given to emergency situations over which the traveling school has no control. The host school has the responsibility of notifying the officials of these changes.
- F. A student may not participate in more than three (3) halves of soccer per day except in a tournament setting, when a player may play two full matches in a calendar day.
- G. During regular season competition played between teams of different classifications, there will be no overtime procedure invoked when regulation play ends with a tie score, unless both coaches agree and inform the match officials prior to the start of the match. During regular season competition between schools in the same classification, and during region/area and state playoff competition, the **overtime procedure** described in item "E" later in this section will be invoked.
- H. In accordance with the National Federation allowance for a state adoption (Rule 7-1-5), when there is a competitive imbalance between the teams, the match will be shortened as follows:
 - 1. If a team is seven (7) or more goals down at the midpoint of the first half, that will be considered the end of the half, and the teams will play a twenty (20) minute second half.
 - 2. If a team is seven (7) or more goals behind at halftime, the second half will be restricted to twenty (20) minutes.
 - 3. When a team trails by ten (10) or more goals at halftime, the game will be terminated.

- J. In accordance with GHSA By-Laws, soccer coaches will be required to attend a GHSA rules clinic. Failure to do so will result in a fine for the school for each coach who does not attend.
- K. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*

REGION COMPETITION:

- A. When a Region has not adopted its own tie-breaker method, the following **Tie-Breaking Procedure** will be used for seeding purposes:
 - 1. Record against all teams in the Region.
 - 2. Winning team in head-to-head competition between schools that are tied.
 - 3. Goals allowed in head-to-head competition between schools that are tied.
 - 4. Goal differential in head-to-head competition between schools that are tied (maximum of three (3) goals per game).
 - 5. Goals allowed in all Region games
 - 6. Goal differential in all Region games (maximum of three (3) goals per game). **Note:** When figuring "goals allowed" and "goal differential" in matches decided by penalty kicks, the winning team will have one (1) goal added to its game score and the losing team will have no goals added regardless of the number of penalty kicks that were made by either team.
 - 7. In any step of the tie-breaking process if a three-way tie is broken so that all ties are broken, that step determines the placements. If two teams remain tied after a step is completed, revert back to head-to-head record to break the tie. If the tie cannot be broken, move to the next step.
- B. If Regions sub-divide into Sub-Regions, then the same tie-breaking procedures (A1 through A7) should be used.

- C. For Region and State competition, if the score is still tied at the end of the second overtime period, the penalty kick procedure will be used to determine the winner.
- D. Financial procedures for all Region playoffs will be determined by the Region. The host school is responsible for payment of officials. The admission fees for State playoffs begin immediately after Region winners are determined.
- E. **OVERTIME PROCEDURE:**
 - 1. The overtime will consist of two (2) ten-minute periods, which will be played to their entirety.
 - 2. A coin toss shall take place to determine which team will put the ball in play for the first overtime period.
 - 3. If the score remains tied following the overtime periods, a “**shootout**” of penalty kicks will determine the winner.
 - 4. The head referee shall choose the goal at which the penalty kicks will be taken.
 - 5. Each coach will select any five (5) eligible players (including goalkeeper) to take the kicks.
 - 6. A coin toss shall be held with the team winning the toss having the choice of kicking first or last.
 - 7. Teams will alternate kickers, and there is no follow up on the kicks.
 - 8. The defending team may change goalkeepers prior to each kick.
 - 9. Following five kicks from each team, the team with the greater number of successful kicks will be given one (1) point and declared the winner.
 - 10. If the same number of penalty kicks are successful for each team, each coach will select five (5) different eligible players who will kick in a “sudden victory” situation. Each team will have an opportunity to kick in each round of the sudden victory procedure.
 - 11. If there is no “sudden victory” winner after five (5) kicks, the process will be repeated until a winner is determined.

 - 1. Region winners must be determined by the date indicated on the Beginning and Ending Dates table at the front of this publication.

 - 2. Host schools will pay the Officials Association directly for the first and second rounds of the playoffs. Please see Fee Chart for Playoff Fees. (Please see Soccer Financial Forms)
 - 3. A pre-set amount for game officials fees will be sent to the GHSA office for the Quarterfinal and Semifinal rounds, along with 12% of gross gate receipts, and the GHSA office will be responsible for paying the officials.
 - 4. The visiting team shall be paid \$.80 per mile (one way) for travel.

 3. The maximum number of contests for swimming is ten (10) exclusive of the state meet.
 4. For divers, the maximum number of dual meet competitions is as follows:
 - (a) Six-dive format: ten (10) competitions AND/OR
 - (b) Eleven-dive format: five (5) competitions
 5. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.
- B. The National Federation Swimming Rules shall be the official rules for all GHSA competitions with the exception of any special regulations found in this section.
- C. In those school systems where facilities are limited and one coach is hired to coach more than one high school team, or coaches from several schools use the same facility, the gathering of these students for practice purposes will not violate GHSA regulations. Competitions between schools during these practice sessions must be avoided unless they are counted within the number of allowable contests.
- D. Each school with a participating student(s) must have a school representative present at all GHSA meets.
- E. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*

STATE MEET (ELIGIBILITY/PROCEDURES):

DIVING

- A. A diver may become eligible for the State Meet using a 6-dive sheet or an 11-dive sheet.
- 1) **6-DIVE FORMAT:** This format is slightly different than the normal 6-dive dual meet format as defined in the NFHS Rules Book. If the 6-dive format is utilized and submitted, the first dive will continue to be from the group as specified by the NFHS and in the NFHS Rules Book. The first dive will maintain its assigned degree of difficulty, unless it is more than 1.8, in which case it will receive no more than 1.8 degree of difficulty. Dives 2-6 shall be one dive from each of the five (5) groups (forward, backward, reverse, inward, and twisting). The degree of difficulty of dives 1-6 when totaled shall be equal to or greater than 11.5 for girls and 12.0 for boys. The score to be achieved must be 190 points or more for both boys and girls.
 - 2) **11-DIVE FORMAT:** If the 11-dive format is utilized and submitted, it shall be on the official 11-dive sheet. For girls, the minimum degree of difficulty for optional dives shall be 11.5 when totaled, and the score to be achieved must be 300 points or greater. For boys, the minimum degree of difficulty for optional dives shall be 12.0 when totaled, and the score to be achieved must be 300 points or greater. NOTE: The official 11-dive Checklist as well as the 6-Dive and 11-Dive Forms can be found on the GHSA web site (www.ghsa.net).
- B. In both the 6-dive and 11-dive formats, the meet must be scored by at least, but not limited to, three (3) judges. The official dive sheet that is submitted must be completed with all necessary signatures and information provided, such as phone, and e-mail information for the coach and diver, within one (1) week of the performance.
- C. **Proof of Performance:**
- 1) Only one Proof of Performance (POP) dive sheet per diver may be submitted by uploading it onto the GHSA web site (www.ghsa.net). The deadline date for submission may be found on a chart later in this section.
 - 2) If the diver's POP is accepted and approved, the coach will be notified at the email address provided when uploading the sheet. If the POP dive sheet is in any way incorrect, the coach will be notified and one (1) additional POP may be submitted, if desired.
 - 3) Dive sheets with electronically generated scores will not be accepted unless submitted from www.DiveMeets.com.
- D. **State Meet Dive Sheets:**
- 1) The format and criteria required for the state dive sheet is slightly different than that listed in Section 4 - Choice of Dives that is detailed in the current NFHS Rules Book for championship meets. Divers will compete in a 6-Dive meet format at the State Championship meet with the following requirements:
 - (a) One (1) voluntary dive of the diver's choice with a maximum degree of difficulty of 1.8 followed by five (5) optional dives, one from each of the five (5) groups. The degree of difficulty of dives 1-6 when totaled shall be equal to or greater than 11.5 for girls and 12.0 for boys. The minimum score total to be achieved to earn points for the team must be 190 points or more after six (6) dives for both boys and girls.
 - (b) The 10 highest-scoring finishers from the preliminary event will move on to the finals and perform their six (6) dives again. Divers will be permitted to change dives, not dive order, for the finals so long as all sheet requirements are met.

- (c) Scores from the preliminaries and finals will be cumulative.
 - 2) A diver will be automatically entered in the State Meet upon submission of the actual dive sheet on www.DiveMeets.com by the deadline and approval of the dive sheet by the GHSA.
 - 3) The deadline for changing a dive sheet may be found on a chart later in this section.
- E. If a school has more than four (4) divers per gender that have been deemed eligible after official approval of the POP dive sheet, the school may submit a maximum of four (4) and only four (4) dive sheets per gender by the deadline.
- F. The Meet Director for the State Diving Meet will have jurisdiction over the method of announcing the diving.
- G. If possible, the championship venue(s) shall provide two (2) hours of practice time to State Meet participants the week of the State Meet.
- H. Boys will dive first in the odd-numbered years, and girls will dive first in the even-numbered years.
- I. For questions or concerns about State Meet eligibility and procedures, contact the State Diving Coordinator, Vicky Sanchez Tuymer, (vtuymer@hotmail.com).
- J. **The diving information found on the GHSA web site supersedes all other sources of information.**

SWIMMING:

- A. Coaches shall submit all of their Proof of Performances on the Georgia High School Swimming Coaches Association (GHSSCA) web site found at www.ghssca.com. All eligible relay swimmers must be listed on the site. It shall not count as an entry unless the swimmer actually competes in the event. Detailed submission instructions are also available on the web site. At the end of the dual meet season, the web site will be closed to accepting new submissions and time will be given for coaches to make their final entry decisions. The coach must make the actual entry for the swimmer to compete in the State Meet on the GHSSCA web site by midnight, Friday, Jan. 28, 2022.

**SECTION 15
TENNIS**

GENERAL INFORMATION:

- A. Tennis is a team championship sport for boys and girls that is based on Region play in all classifications. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. All tennis matches will be played according to tennis rules published by the U.S. Tennis Association (USTA) unless otherwise specified by the Georgia High School Association.
1. The rules of the USTA Handbook relating to lateness for a match will apply to GHSA matches.
 2. There will be continuous play except that a GHSA certified coach from that school may talk to their player(s) as they change ends of the court after a game, but the player(s) must stay on the court.
 3. In regular season play and in the Region tournament, the 8-game Pro Set format is allowed if both coaches are in agreement. 8-Game Pro Set: First player to win 8 games by a margin of 2 games (ie, 8-5, 8-6, 9-7) wins the set - if score gets to 8-8, the tie-breaker as outlined in this section is used.

- C. Teams are restricted to no more than eighteen (18) varsity matches excluding Region and State tournaments. The 18 matches are for the complete team (singles and doubles). There will be no singles tournaments allowed.
1. Each match played in an invitational tournament or multiple match counts toward the maximum of 18.
 2. No school shall enter any invitational tournament unless it has been approved by the GHSA Executive Director.
 3. It is permissible for coaches to use "split squads" during the regular season. However, the use of split squads will count as two (2) of that school's maximum allowed competitions.
 4. There shall be no interscholastic practices and/or scrimmages.
- D. The format for all GHSA tennis matches shall be three (3) singles matches and two (2) doubles matches. With prior agreement of both coaches, JV squads may use a format of two (2) singles matches and one (1) doubles match. NOTE: No GHSA match at any level may be played where there are fewer than three (3) points available and any pre-match forfeitures must take place at the lowest level. No. 1 singles and No. 1 doubles may never be forfeited before a match begins.
1. An individual player may play in either one (1) singles match or one (1) doubles match ONLY.
 2. Substitution is not permitted once a match is engaged under USTA definition. If any injury occurs during play that prevents a player from completing the match, that player defaults and the opponent is awarded the victory.
 3. Teams have the option to play a 10-point tiebreaker (see USTA rules for playing process) in lieu of a full third set during the regular-season and Region tournament by agreement of the two coaches during the regular-season and by a majority vote of the Region coaches in the Region tournament. Note: All State Playoff matches must be best of three full sets.
 4. Teams may play up to three (3) matches in a day during Region tournaments IF a 10-point tiebreaker is used in lieu of a full third set in all three matches.
- E. 7-Point Tie-Breaker for Singles (Team A vs B)
1. This is used when the score is tied 6-6 (or 8-8 in Pro-Set) in any set (1st, 2nd, or 3rd).
 2. Player A serves the first point from the right service area.
 3. Player B serves the second and third points from the left and right service areas respectively.
 4. Player A serves the fourth and fifth points - again alternating the service areas.
 5. Player B serves the next two points and ends of the court are changed between these two points.
 6. Player A serves the eighth and ninth points.
 7. After this, the serve is alternated on every two points.
 8. If the tie-breaker ends with a 6-6 score, the players change ends of the court and alternate serves until one player is ahead by two (2) points - which gives that player a set victory of 7-6.
 9. Players switch ends of the court after every six (6) points and at the end of the tie-breaker.
- F. 7-Point Tie-Breaker for Doubles (Team A & B vs C & D)
1. Player A serves the first point from the right service area.
 2. Player C serves the second and third points - alternating the service areas.
 3. Player B serves the fourth and fifth points.
 4. Player D serves the sixth and seventh points, and ends of the court are changed between the points.
 5. After this, play continues with the same service rotation until one team has either won seven (7) of the first twelve (12) points, or a team established a two-point margin after twelve (12) points have been played.
 6. Teams change ends of court after every six (6) points and at the end of the tie-breaker.
- G. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*

REGION COMPETITION:

- A. Each Region will determine how it will choose its top four (4) teams.
1. The top 4 Region representatives shall be determined no later than April 14, 2022.
 2. The top four Region teams must be submitted to the GHSA no later than 9:00 a.m., on April 15, 2022.
 3. Five percent (5%) of the gross gate receipts (if admission is charged) will be sent to the GHSA, and then the Region will decide how to handle expenses and disbursements.
- B. At the end of the regular season and **prior to any post-season play**, each coach will submit to the Region tournament director an **official playoff roster** (form to be found on GHSA website) listing the singles players as Nos. 1, 2, and 3 and the doubles teams as Nos. 1 and 2, **in proper order of ability** (based on the integrity of the coach). This roster will be the lineup used in ALL tournament play thereafter, unless an alternate is used under the restrictions listed below. NOTE: If no Region tournament is held, the lineup must be submitted to the Region Secretary at the end of the regular season and prior to the start of the state tournament.

1. Stacking of one's lineup is strictly prohibited in any regular-season match, invitational tournament or state tournament match. An obvious attempt to stack a lineup (i.e., use a player or doubles team below their relative ability level on the team) may result in the immediate disqualification of the entire team.
 - (a) For each regular-season match, the coach will choose three players (A, B & C) to play singles and two pairs of players (D1 & D2) to play doubles that day. The best player of A, B and C must play the No. 1 position in singles and the weakest must play No. 3 singles. The best doubles team of D1 and D2 must play No. 1 doubles (Note: Points may only be forfeited beginning with the lower positions and working upward unless an injury or illness occurs after a match has begun).
 - (b) It is not stacking to alternate from match to match during the regular season the positions of A and B, B and C, and even A and C if the players are of relatively equal ability. Likewise, D1 and D2 could alternate if these teams are of relatively equal ability.
 - (c) It is not stacking if players alternate from singles to doubles, and vice versa, from match to match during the regular season as long as the singles players being used that day are listed from No. 1 to No. 3 according to relative ability, and the best doubles team being used that day plays at No. 1 doubles.
2. Designate up to four (4) **alternates** on the **official playoff roster** to be used under the following conditions:
 - (a) Alternates should not be better in ability than ANY of the players listed on the playoff roster in the positions of Nos. 1, 2, or 3 singles OR Nos. 1 or 2 doubles.
 - (b) Alternates may be used in either singles or doubles competitions, but the same player may not be used for both in the same round of competition.
 - (c) **Substitutions** made after the official playoff roster has been submitted must be made at the lowest level of singles play with all others moving to the higher level of competition. In doubles competition, the coach has the option to place the alternate in the open slot or to place the alternate on the No. 2 doubles team and move a player from the No. 2 doubles team to the No. 1 doubles team, if the original vacancy is on the No. 1 team. A player may never be used in a position lower than his original position. NOTE: A substitution violation results in the loss of that line and not the forfeiture of the entire team match.
 - (d) If the original contestant(s) resumes play, everyone moves back to their original positions listed on the submitted playoff roster.
 - (e) A player listed as a singles player on the **official playoff roster** shall not switch over to doubles competitions in any later round, or vice-versa.
3. A serious injury, illness, suspension or other conflict MAY warrant a waiver of the anti-stacking restrictions listed above. Such waivers will be considered on a case-by-case basis upon receipt of proper documentation to the GHSA office, including a letter signed by the school's principal.
4. A school objecting to an opponent's lineup must provide documentation (newspaper articles, scorebooks, or written confirmation from opposing coaches) of any stacking violations.

STATE TOURNAMENT:

- A. The State Tournament is considered a continuation of the Region Tournament.
 1. Tournaments will be held for both boys teams and girls teams in each classification with separate tournaments for public and private schools in Class A.
 2. Trophies shall be presented to the champions and runners-up in each classification - both boys and girls.
 3. In order to host a State Tournament match beyond the region level, the host school must have available a minimum of two (2) courts. Four (4) courts is preferable.
 4. All State Tournament matches must be played on composition (hard) surfaces unless the competing schools agree to play on a non-composition surface prior to the match.
 5. The **First Four (4) Rounds** of the State Tournament will take place on the "home" courts of the higher seeded teams with the following schedule: The **First Round** must be completed **no later than** April 21, 2022; the **Second Round** must be completed no later than April 27, 2022; the **Quarterfinal Round** must be completed no later than May 3, 2022; and the **Semifinal Round** must be completed no later than May 9, 2022. If the teams are equal seeds, a "universal" GHSA coin flip will determine the host school.
 6. In each round of the state playoffs, the following will apply:
 - (a) Coaches will contact each other and set up a **mutually** agreeable time and date.
 - (b) In the event an agreement on time and date cannot be reached, the GHSA Executive Director will set the time and date.
 - (c) In situations where fewer than five (5) courts are available per team match, the order of play **must** be as follows: No. 1 singles, No. 1 doubles, No. 2 singles, No. 2 doubles, No. 3 singles.
 - (d) The **home team** is responsible for reporting the winners and scores to the GHSA office by 9:00 a.m., the day after the match.
 7. The **State Finals** will be held for both boys and girls in all classifications at the Rome Tennis Center at Berry College on the date indicated in the Beginning and Ending Dates table in the front of this publication. The exact schedule will be posted on the GHSA web site prior to the tournament.

- B. All team matches shall be the best three of five (3 singles/2 doubles) matches, using the 7-point tie-breaker.
 - 1. A team winning three (3) of the five matches (3 singles/2 doubles) shall be the winner.
 - 2. A team match is concluded as soon as three (3) points have been won, unless both coaches agree to finish all five lines.
- C. Each team shall furnish five (5) cans of high-quality, heavy-duty tennis balls through the **Semifinal Round**.
 - 1. New balls will be used in the first team match.
 - 2. After the team match, the losing team will keep the balls used in that match, and the winning team takes the unopened cans of balls to the next round of competition.
 - 3. At the State Finals, the GHSA will supply the tennis balls.
- D. For all rounds of the state playoffs prior to the finals, the host school shall provide a designated “**site manager**” to make rulings concerning sportsmanship, lateness, or other rules violations that might occur during the match. This person should be a certified USTA official when possible, hired and paid for by the host school. In instances where a USTA official cannot be secured, a school administrator must be the replacement. For the finals, the GHSA will provide the site manager.

SECTION 16 TRACK AND FIELD

GENERAL INFORMATION:

- A. Track and Field is a team championship event for boys and girls that is based on Region (Classes A Public, 2A - 7A) and Area (Class A private) competition. In Class A, there will be separate championships for public and private schools. Beginning and ending dates for practice and competition can be found at the front of this publication.
- B. All GHSA Track meets will be run in accordance with the rules published in the National Federation Track and Field and Cross Country Rule Book with any exceptions and/or adoptions noted in this section. (NOTE: Knowledge of and compliance to all exceptions is the responsibility of the head coach.)
- C. *Schools must enter team schedules, rosters and weekly game/meet results during the season on MaxPreps and be responsible for updates as needed. This information will support statewide media, event programs, broadcasts partners and GHSA Region Standings. Teams are encouraged to maintain team/individual statistics on MaxPreps.*
- D. Track meet requirements:
 - 1. There will be no interscholastic practices or exhibition meets in Track.
 - 2. The maximum number of meets that may be scheduled is twelve (12), but no individual student may compete in more than ten (10) meets (excluding the Region/Area, Sectional and State Meets).
 - 3. Track teams may compete in one (1) indoor meet, and this meet will not count as a part of the ten (10) meets allowed per athlete provided the meet is after the date for practice to begin and prior to the date to begin regular competition.
 - 4. It is permissible for coaches to use “split squads” during the regular season. However, the use of split squads will count as two (2) of that school’s maximum allowed competitions.
- E. Any meet involving eight (8) or more schools must be approved by the GHSA Executive Director in accordance with the process described in By-Law 2.64.
- F. A contestant in Track and Field may compete in a **maximum of four (4) events** and may not be entered in more than four events, excluding relays. If a contestant is entered in more than the allowable number of events, meet management shall scratch the contestant from the excess event(s) by following the listed Order of Events. A contestant may officially compete in:
 - 1. Four individual events - NO Relay events.
 - 2. Three individual events - May be listed on any number of relay events but **compete** in only one relay event.
 - 3. Two individual events - May be listed on any number of relay events but **compete** in only two relay events.
 - 4. One individual event - *May be listed on any number of relay events* but **compete** in only three relay events.
 - 5. *NO individual events - May be listed on any number of relay events and **compete** in all four relay events.*
- G. The following regulations apply to the Pole Vault event:
 - 1. All GHSA schools competing in the pole vault event must meet the minimum NFHS regulations on the vaulting area, the plant box, the vaulting standards, the crossbar and the landing pads. Schools not able to meet these regulations are not allowed to practice or compete in the pole vault event at the non-complying site.

2. A listing of approved schools has been established for the pole vault. Annually, those schools making changes in their pole vault equipment and/or facilities **MUST** report the changes to the GHSA office.
 3. In compliance with NFHS rules, *school administrators and coaches* must verify that all vaulters and poles meet event requirements. A "Pole Vault Verification Form" (found on the GHSA web site) is to be submitted before each competition.
- H. The GHSA has elected to fully comply with the NFHS Rule 4-3-1. All competitors shall have legal uniforms. The singlet and bottom, or one-piece uniform, must be a school-issued or school-approved Track and Field uniform. Uniform bottoms clearly designed as "underwear" (including bottoms with a crotch outline) will NOT meet the NFHS or GHSA requirement. *Uniform tops and one-piece uniforms* with multiple manufacturer logos are NOT legal. *Uniform bottoms with logos completely around the waistband are LEGAL.* Team uniforms worn must clearly identify the competitors, at a glance, as being a member of a certain team. (CLARIFICATION: Team members competing in individual events must wear clearly identifying uniforms for that team, but NOT NECESSARILY of the same design. Relay team members on the same team must wear uniforms of the same design. NOTE: The ultimate responsibility for uniforms compliance lies with the coach. Coaches should inspect any/all garments competitors wear to make sure they are in compliance with GHSA and NFHS uniforms rules.
- I. Athletes may not compete while wearing electronic devices.
- J. Electronic devices, including but not limited to disc players, tape players, cell phones, pagers, walkie talkies, are permitted for use by coaches within designated coaching boxes or outside of restricted competition areas.
- K. In the **Region/Area** and **State** meets, eight (8) places shall be scored, with point totals counting as follows:
- | | | | | | |
|---------------|---|-----------|--------------|---|----------|
| First Place | = | 10 points | Second Place | = | 8 points |
| Third place | = | 6 points | Fourth Place | = | 5 points |
| Fifth Place | = | 4 points | Sixth Place | = | 3 points |
| Seventh Place | = | 2 points | Eighth Place | = | 1 point |
- NOTE: When there is a tie, the points will be divided equally among the contestants who are tied.

REGION/AREA COMPETITION:

- A. Deadlines for posting the Region/Area list of entries will be a Region/Area decision.
1. All entries must be made **ELECTRONICALLY** on the GHSA web site. A template will be posted there for use by all head track coaches.
 2. Posting entries on sites other than the GHSA web site does **NOT** fulfill the GHSA requirement for electronic submission.
 3. Coaches may alter the list of entries until the deadline established by each Region/Area for their Region/Area Meet.
 4. All Region Secretaries/Area Coordinators should communicate their deadline for entries before the "Scratch Meeting" that precedes the Region/Area Meet. Region Secretaries/Area Coordinators (or designee) must "close" the MIS electronic entries for the deadline established by each Region/Area.
- B. The time schedule for the Region/Area Meet shall be given to each competing school prior to the start of the Meet.

- I. *Scoring procedures for both Region and State contests shall be as follows:*
1. *No judge shall assign a numerical score lower than 70.*
 2. *Each judge shall submit completed, signed score sheets to the event tabulator, after which the judges may engage in discussion concerning awards for Best Actor, Best Actress and All-Star Cast.*
 3. *At each Region and State competition, final tabulations should be conducted by a designated tabulator or by the event coordinator. Judges should not tabulate scores. Judges should have no knowledge of the length of performances. The timekeeper shall report times of performances to the event coordinator or tabulator only. The time for each performance should be recorded on the tabulation form.*
 4. *In order to determine the final results for Region and State competitions, the lowest rank will be dropped by the tabulator for each performance. For instance, in a competition with 8 performances, 8 will be the lowest rank and 1 will be the highest rank. The two remaining ranks added together will determine placement. In the event of a tie in ranks, points from all three judges will be totaled to break the tie.*

APPENDIX 'A'

ALLIANCE OF GEORGIA HIGH SCHOOL ASSOCIATION AND AMERICAN ASSOCIATION OF ADAPTED SPORTS PROGRAMS

Since 2001, the GHSA has been involved in an alliance with the American Association of Adapted Sports Programs. This is a growing relationship in which both organizations are working together for the benefit of physically disabled and visually impaired students.

The Georgia High School Association and the National Federation of State High School Associations have long held the philosophy that participation in competitive activities is an integral part of the educational experiences of high school students.

While the GHSA has accommodated participation of disabled students in several sports and activities, we have not ventured into the area of facilitating participation of physically disabled students in adapted sports.

The GHSA recognizes that AAASP is the premier organization administering adapted sports, and the GHSA wishes to partner with AAASP by providing competitive activities for our physically disabled students in addition to lending our resources to their endeavors. Under the leadership of Beverly Vaughn and Tommie Storms, this organization provides tremendous opportunities in the area of adapted sports.

AAASP oversees competitions in wheelchair basketball, wheelchair track, wheelchair handball, power hockey, wheelchair football and beep baseball throughout the state of Georgia. Additionally, AAASP personnel travel throughout the United States helping schools establish and maintain athletic programs for physically disabled students.

It is important for school personnel to understand the opportunities available for disabled athletes, and to share that understanding with students in their schools. It is also important that coaches appreciate the value of athletics in the lives of disabled students, and the particular techniques involved in coaching disabled athletes.

AAASP stands ready to assist school personnel in their endeavors. For more information, please use the following contacts:

APPENDIX 'E'

ELIGIBILITY REPORT INSTRUCTIONS

Items to which specific attention should be directed are:

1. GHSA Eligibility Form A and Form B, instructions, and other eligibility forms are provided to all member schools on the GHSA website.
2. The report submitted to the State Office becomes a permanent record. Care should be taken to have the information fully correct and complete. An error could seriously affect the eligibility of a student and penalize a school.
3. Online submission certifies that all data is correct and accurate.
4. Boys and girls may be listed on the same Form A, and more than one activity may be listed on the same Form A.
5. Once a student has been certified eligible in a given school year, it is not necessary to re-file that student in subsequent activities unless region rules specify differently. The GHSA office maintains that once a student has been reported and declared eligible for the school year, no further report is necessary for that student during the school year UNLESS his/her eligibility has been interrupted. There is no longer any need to submit a Form B for a previously-cleared transfer student. Transfer students are never listed on a Form A.
6. An eligibility report must be filed prior to the calendar date for the first possible **practice** in any activity. Supplemental filings may be made throughout the season. (EXCEPTION: Eligibility reports for Literary, One-Act Play and Riflery competitions are due twenty (20) calendar days before the first contest.)
7. **CERTIFICATE OF ELIGIBILITY (Non-Transfer Students) - FORM A**
 - A. All non-transfer students will be filed online on the GHSA MIS web site.
 - B. NAME: List students in alphabetical order by date of entry - ninth grade (9-10-11-12). Give the full name with the last name listed first.
 - C. DATE OF BIRTH: Give the month, day, and year of the student's birth. A student whose 19th birthday was prior to May 1 of the preceding school year, is over age and not eligible to participate. You will be assisting the student if you require a birth certificate to be presented to you for verification of age.
 - D. DATE STUDENT ENTERED 9th GRADE: Complete the month, day, and year the student took the first 9th grade class at any school. This is not necessarily the date the student first entered your school. A student will not be eligible for participation for more than eight (8) semesters from the date the student entered the ninth grade.
 - E. TOTAL UNITS EARNED PREVIOUS SEMESTER: Show the total number of units the student earned the previous semester. In order to be eligible, (beginning with the second semester of 9th grade) the student must have earned at least 2.5 units or their equivalent the semester immediately preceding participation. Place an "E" in the Units Earned column and Total Units Accumulated column for entering ninth grade students.
 - F. TOTAL UNITS ACCUMULATED: Show the total number of units the student has accumulated thus far in his high school career. To be eligible, the student must accumulate units that count towards graduation as follows:

END OF FIRST YEAR:	5 Units
END OF SECOND YEAR:	11 Units
END OF THIRD YEAR:	17 Units
 - G. ELIGIBILITY STATUS: This column is for GHSA use only.

Students who lose eligibility for not meeting the unit requirements at the beginning of the year may regain eligibility during the school year by accumulating the units required at the end of the semester and by passing the required number of subjects the previous semester. REMINDER: Eligibility is lost or regained on the first day of the new semester.

8. CERTIFICATE OF ELIGIBILITY - TRANSFER STUDENTS - FORM B

- A. TRANSFER STUDENTS: FORM B MUST BE ENTERED ONLINE ON THE GHSA MIS WEB SITE. If a student has transferred to your school during the past twelve (12) months after entering 9th grade (and has not been cleared previously) complete and submit a Form B for that student. If the transfer student has been in your school one full calendar year, do not file a Form B. NOTE: Transfer students who do not meet eligibility guidelines for migrant students are eligible to participate at the sub-varsity level ONLY, provided they meet academic standards.
- B. ACADEMIC DATA: This is the same information that is required for non-transfer students on Form A.
- C. YEARS ATTENDED: List all previous schools the student attended beginning with the 9th grade.
- D. ADDRESS (PRESENT/PREVIOUS): Give full street addresses and DO NOT use post office box numbers.
- E. LIVES WITH/LIVED WITH: Use the full name(s) of the parents, step-parents, guardians, etc. With blended families it is sometimes confusing when complete names are not given.
- F. DATE STUDENT ENROLLED: Be precise as to the date the student entered your school.
- G. EXCEPTIONS: Certain situations allow a student to be eligible without a bona fide change of address. See By-Law 1.60.

FOR THE CURRENT YEAR (2021-22):

1. A student whose birth date was prior to May 1, 2002, is over age and is not eligible.
2. A student who entered 9th grade prior to August of 2018, has exceeded eight (8) semesters and is not eligible.

9. CERTIFICATE OF ELIGIBILITY - FORM C

- A. STUDENTS WITH INTERRUPTED ACADEMIC ELIGIBILITY: Form C must be entered online. A student gains or loses eligibility on the first day of each semester. If the student is not eligible because he has an "Incomplete" in one or more classes, or if the student is in a Credit Recovery Program at the beginning of second semester, the student has 15 school days to become eligible. That student may not practice or compete in the interim. (see By-Law 1.58). Students who have had their academic progress interrupted need to be filed on a Form C, even if their eligibility form has been submitted previously. Be certain that the relevant portions of this form are filled out completely.

B. FILING PROCEDURES:

1. The upper half of the Form C is to be completed just like a Form A. The numbers in the "Units Earned Previous Semester" column and the "Total Units Accumulated" column should reflect the progress made in the 15-school-day period.
2. The lower half of the Form C is to be completed according to the particular issue for the student. One portion is completed if the student was making up "Incompletes," and the other is completed if the student was involved in a "Credit Recovery Program."

If the course work is not made up in the allotted 15-school-day period for the second semester, the student is ineligible for that semester. The Principal still has the option of filing a "Hardship Application" if there are special circumstances that prevented the completion of the coursework in the 15-school-day period.

10. **MT** (magnet transfer) Forms must be entered online.
11. **HS** (*home study transfer*) Forms must be entered online. Directions may be found on the "forms" page under Resources on the GHSA web site.
12. All **hardships** must be entered online with supporting documents uploaded.

6. Whether the school involved has had similar or other violations within the past three (3) years.
7. Any other factors deemed by the Executive Director to merit a more or less severe fine and/or penalty.

The list of violations set forth in this listing is not all-inclusive, and if a violation of rules occurs which is not listed herein, then the Executive Director shall have the authority to assess penalties that he deems appropriate.

In addition to the listed fines and penalties, the Executive Director may issue a severe warning to a member school which places the school on notice that further violations of GHSA rules will result in increased fines and/or penalties.
